Critical Essays on  
Rabindranath Tagore's

Ghare Baire : The Home  
and the World Cambridge

University Press

An endearing poem of a  
child who refuses  
tempting invitations,

instead staying with her  
mother at playtime,

blissful in her company.

Words woven with great  
tenderness by the  
greatest poet of all times,

a gentle verse for all the little ones.

*Selected from the Letters of Sir Rabindranath*

Tagore Diamond Pocket Books Pvt Ltd

An original and compelling account of the Hindu partitionist movement in Bengal.

*Tagore's Ideas of the New Woman* Penguin UK

-

*And Other Stories* Penguin Random House India

Private Limited

Rabindranath Tagore's Ghare Baire was first serialised in 1914 and published as a novel in

1916. The events in the novel deal with the period 1905-7, a period of tremendous political unrest in Bengal. The public upheaval takes place alongside another revolution that of women's emancipation and a new gender equation. Ghare Baire (The Home and the World) is the first fictional exploration of the tangled web of crucial issues related to the two spheres, the home and the world, in early twentieth century Bengal. Towards Freedom is a

collection of critical essays on the issues raised by Tagore's novel in a contemporary world where differences of religion, region, class, caste, gender, etc., constantly demand to be addressed. It focuses upon the crafting of the novel out of complex historical contexts of caste, class and gender politics. By examining the play of ideologies in this novel, the anthology aims to help students recognise the importance of locating imaginative literature within its histories. Given

that most of these structured hierarchies of oppression function powerfully in our lives even today, Towards Freedom stresses the continuing relevance of engaging with the issues raised by a novel which looks at the private and the political as intertwined.

### **Fruit-gathering**

Routledge  
Rabindranath Tagore reinvented the Bengali novel with Farewell Song, blurring the lines between prose and poetry and creating an effervescent

blend of romance and satire. Through Amit and Labanya and a brilliantly etched social milieu, the novel addresses contemporary debates about 'good' and 'bad' writing, the nature of love and conjugality, and the influence of Western culture on Bengali society. Set against the idyllic backdrop of Shillong and the mannered world of elite Calcutta society, this sparkling novel expresses the complex vision and the mastery of style that characterized Tagore's later works. Tagore was

not only an immensely versatile poet; he was also a great short story writer, novelist, playwright, essayist, and composer of songs. Amartya Sen Documents, contexts and debates Niyogi Books  
KamaSutra In the literature of all countries there will be found a certain number of works treating especially of love. Everywhere the subject is dealt with differently, and from various points of view. In the present publication it is proposed to give a complete

translation of what is considered the standard work on love in Sanscrit literature, and which is called the 'Vatsyayana Kama Sutra, ' or Aphorisms on Love, by Vatsyayana. The rough English translation of Kamasutra is pleasure (kama) treatise (sutra). In the West, since it was first (rather surreptitiously) translated and published back in 1883, the book has generally been associated with a series of beautiful, ancient illustrations of a couple determinedly coupling in

a variety of fascinating and often utterly improbable positions; as essentially the erotic counterpart to the ascetic asanas of yoga

**Calcutta Municipal Gazette** University of Chicago Press

This book might prove to be of significant academic interest for many and I think literature lovers, people interested in Bangla Literature, Buddhism, Lamaism, Tantra, Oriental mysticism, the Baul-Fakir-Sahajiya cult, the Bhakti-movement and et cetera

might find this book to be of interest and use.

Gitanjali, The Gardener, Fruit-Gathering, The Crescent Moon, Songs of Kabir, The Home and the World, Chitra, The King of the Dark Chamber, Sanyasi, Thought Relics, Creative Unity, Glimpses of Bengal... Atlantic Publishers & Dist

"This book focuses on primary education in India and interrogates what schooling means and does to children from weaker sections of Indian society and which values underpin the school

system. It examines whether the concept of "education for all" is just a mechanically conceived policy target to chasing enrolment and attendance or whether it a larger social goal and a deeper political statement about the need for attacking entrenched social inequalities, and above all an affirmation of the idea that schooling has a liberating potential. Drawing on original data collected in the two states of Andhra Pradesh and West Bengal, the authors first present the multiple

ways in which social class impinges on the educational system, educational processes and educational outcomes. In the second part of the book, issues around autonomy and accountability are explored via an analysis of the position of teachers within the educational hierarchy, and by looking at the various possibilities of making teachers accountable. The last part centres on the learning process, with a particular focus on the classroom. The conclusion includes

recommendations that are related to the necessity for a larger debate and normative framework, which includes private schools as possible partners in the pursuing of a public good for which a public entity should take some responsibility, and in conjuncture to that, the necessity to move from government action and responsibilities to a broader concept of public action"--Provided by publisher.  
Three Women Fairleigh Dickinson Univ Press

The mountain of the moon is a story about taking a chance dare which, with its wings of imagination, leads you to the silver lining after a storm. Shankar, an ordinary young boy from rural India, crosses many skies and seas to explore an altogether different world—Africa. There, he joins a seasoned Portuguese Explorer, Diego Alvarez on a daring mission. But is the destination worth the toil of the journey? Moreover, will Shankar get to the peak of his mountain of

dreams? The Storyline, with a series of adventures, is a testimony to the eternal virtues of courage, curiosity and compassion. It gradually becomes a tantalizing tale of an unusual friendship that evolved in the spectacular but dangerous African forests and grasslands teeming with mysterious wildlife, people and their folklores. Experience this classic adventurous narrative in English that will lead you again to an era of picaro, when one dared to dream. This book has also been

adapted into a popular Bengali movie.

The Modern Review

Penguin Books India

This book discusses the way in which those born into the British empire were persuaded to accept it, often with enthusiasm. The study compares the perceptions of people at 'home', in the dominions and in the colonies. Across the diversity of imperial territories it explores themes such as the diverse nature of political socialisation, the various agents and agencies of persuasion,

reaction to the 'experience of dominance' by dominant and dominated, the paradoxical impact of the missionary and the subversive role of some women. It also considers the significant issues of colonial adaptation, resistance and rejection, and the post-imperial consequences of imperialism.

Stories from Satyajit Ray

Taylor & Francis

A notable contribution on Tagore's vision of womanhood This book theorizes the continuous

reconfigurations—'making' and 'unmaking'—of female subjectivity in Tagore's life, his times, and his works. This transhistorical approach in the book makes gender formations and discourses of the past relevant and necessary to the understanding of postmodern gender issues and ideologies. A unique feature of this compilation is the variety of genres that it covers, ranging from Tagore's poems, dance dramas, dance forms and their innovative uses, the gender-specific

nature of several Rabindrasangeet, his travel writings and paintings, to highlighting the postmodern reworks of Tagore's novels on celluloid. On the whole, this edited collection with its extensive focus on the issues of gender, heterosexual love, marriage and patriarchy in relation to the works of Tagore strengthens the claim that the politics of culture and the gendering of social subjectivity were intrinsic to the representative ideologies of literature of the

nineteenth and twentieth century.

### **Glimpses of Bengal**

Routledge

Tagore's English Writings Originals And Translations Have Not Received The Attention That They Deserve. The Purpose Of This Edition Is To Make The English Writings Of Tagore Available To The Widest Possible Range Of Readers Interested In The Writings Of Tagore All Over The World, With Just The Bare, Minimum Information Necessary For Appreciating The Writings, And Leave The Critical

Assessment To The Readers

Themselves. There May Be Two Possible Reasons For The Neglect Of Tagore's English Writings. Firstly, Tagore's Prolific Output, Shakespearean Felicity And Protean Plasticity As A Bengali Poet, Who, Though Well-Versed In English, Chose To Write In The Medium Of His Mother Tongue For Nearly The First Fifty Years Of His Life, And There Is Hardly Any Literary Form That He Did Not Touch Upon And Turn Into Gold. His Creative Genius Found

Expression In Poems, Plays, Novels, Essays, Short Stories, Satirical Pieces, Textbooks For Children, And Songs Of All Kinds. The Only Literary Form That He Did Not Try Is Epic. But In His Long, Eventful And Creative Eighty Years Of Life He Virtually Lived An Epic. It Is Largely Due To His Mighty Stature As A Bengali Poet That Nobody Really Bothered About His English Writings And His Own Translations Of His Own Writings. Secondly, It Is Owing To The Supposedly Poor Quality

Of His Translations Subsequent To The Translation Of Gitanjali. It Was Only After Tagore Received The Nobel Prize For Literature In 1913 That There Was A Growing Demand For His Writings In The West, And As Tagore Was Not Apparently Satisfied By The Translations That Others Mainly His Admirers Made, He Began To Translate His Writings Himself. But The Tremendous Haste With Which He Had To Translate, Possibly Affected The Quality Of

Translations. Come What May, The Point Is Whether Tagore S English Translations Are Good Or Bad, Whether The Translation Furthered His Reputation Or Damaged It, Is Immaterial. The Fact Of The Matter Is That They Are His, And His Own Translation Of Whatever Quality It May Be Is More Valuable To A Tagore Lover Than The Best Translation Made By Somebody Else, As Van Gogh S One Original Single Scratch Is More Valuable Than The Best Possible Copy By Some

Other Artist. The Value Of Tagore S English Writings Lies Here : They Constitute An Important Part Of His Total Oeuvre, Add A New Magnificent Dimension To It And Offer Us A Glimpse Into The Mystique Of The Creative Anxiety That Could Have Haunted Even The Greatest Writer Of The Twentieth Century, About His Possible Reception In An Alien Culture. Yogayog India List An Indian writer gives her version of the romance which Mircea Eliade, the Romanian writer,

described in his novel, Bengal Nights. "Why did you not tell the truth, Mircea?" she asks, not at all pleased that he portrayed her as an Oriental vamp.

Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

**Hindu Communalism  
and Partition,**

**1932-1947** Createspace Independent Publishing Platform  
 -Padma Shri and late Hindi author Shivani's memoirs of studying at the experimental school set up by Rabindranath Tagore. -A rare view and stories of life inside the Ashram, of how the students' intimate relationships and interactions with Tagore and other towering personalities shaped them. -Includes tributes to other iconic personalities who called Shantiniketan their home, such as

Satyajit Ray and Pandit Hajari Prasad Dwivedi. - Written with such warmth and filled with laughter, this book can be enjoyed by both adults and children. -Translated into English for the first time by Ira Pande, the author's daughter and Sahitya Akademi winner for her translation of Manohar Shyam Joshi's T'ta Professor This charming memoir is a loving homage to a grand institution and its legendary gurus. Written from the perspective of a child and young girl, it

retains the freshness and innocence of an age when experimental education was not merely a trendy movement. Shivani's vivid pictures of the Ashram and portraits of her teachers and fellow students remain as alive as they seemed when she first wrote this memoir nearly fifty years ago. Along with the moving tributes she wrote when some of her beloved contemporaries passed away, this slim memoir is a sort of diptych that captures the spirit of the Ashram and the liveliness

of its inmates, many of whom went on to become iconic Indians. Shivani's recall of her time there takes the reader into an enchanted garden that remains as inspirational to her as it was when she went there all the way from Kumaon a lifetime ago.

Basic Bengali learning book for children.

*Language Policy and*

*Education in India* Penguin

UK

This book presents a history of English and development of language education in modern India. It explores the role of language in colonial attempts to establish hegemony, the play of power, and the anxieties in the nineteenth- and early-twentieth-century India. The essays in the volume discuss language policy, debates and pedagogy as well as larger overarching questions such as identity, nationhood and sub-nationhood. The work

also looks at the socio-cultural and economic factors that shaped the writing and publishing of textbooks, dictionaries and determined the direction of language teaching, specifically, of English language teaching. Drawing on a variety of archival sources — policy documents, books, periodicals — this book will be of great interest to scholars and researchers of linguistics, language teaching, cultural studies and modern Indian history.
