Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in

the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that

focuses on the baseline concepts, issues, and approaches.

Text & Summarized Cases

Cengage Learning Comprehensive, authoritative, and student-friendly, longtime market-leader BUSINESS LAW: TEXT AND CASES delivers an ideal blend of classic black letter law and cutting-edge coverage of contemporary issues and cases. BUSINESS LAW continues to set the

standard for excellence. The text offers a strong student orientation, making the law accessible, interesting, and relevant. The cases, content, and features of the thirteenth edition have been thoroughly updated to represent the latest developments in business law. Cases range from precedent-setting landmarks to important recent decisions. Ethical, global,

and corporate themes are integrated throughout. In addition, numerous critical-thinking exercises challenge students to apply knowledge to real-world issues. It is no wonder that BUSINESS LAW is used by more colleges and universities than any other business law text. Important Notice: Media content referenced within the product description or the product

text may not be available in the ebook version. *Business Law Today, Standard: Text & Summarized Cases* Cengage Learning Focussing on money and banking, this text provides an integrated coverage of topics that are important to these fields in the 21st century. *Law for Business and Personal Use* Blackstone Press This revised edition takes account of the developments in the law

since the first edition was published. The book continues to cover some of the most important rules which regulate the business world, and it seeks to emphasize the role which these rules might play in the planning and execution of business activities, while pointing out that the law is only one influential factor on such activities. The four years since the first edition have seen a

considerable number of important developments. Some of the more important include: the Age of Legal Capacity (Scotland) Act 1991, the Competition and Service Utilities Act 1992, the Trade Union Reform and Employment Rights Act 1993, the Sale and Supply of Goods Act 1994, the Unfair Terms in Consumer Contracts Regulations 1994 and the Requirements of Writing (Scotland) Act

1995. Commentaries and Cases on the Law of Business Organization Cengage Learning Intended for the first course in business law, Prentice and Allison's text was written with one primary objective in mind: to allow students to cover as much ground as possible, without overlooking any of the subject matter that must be covered in an introductory business law course.

Business Law successfully gives students an understanding of the legal system, helps them recognize important legal concepts, allows them to become comfortable with the interplay between legal and ethical principles, and promotes the development of skills necessary to master the process of legal analysis.
