secrets hide in

New Reynes, the so-called City of Sin, is no place for a properly raised young lady. But when her mother goes missing, Enne Salta must leave her finishing school—and her reputation—behind to follow her mother's trail in the city where no one survives uncorrupted. Frightened and alone, Enne's only clue leads her to Levi Glaiyser—a street lord and a con man in desperate need of the

compensation Enne offers. Their search sends this unlikely duo through glamorous casinos, illicit cabarets, and into the clutches of a ruthless Mafia donna. But as Levi's enemies close in on them, a deadly secret from Enne's past comes to light and she must surrender herself to the City of Sin — to a vicious game of execution... The Immortal Crown Little, Brown Books for Young Readers
One seemingly ordinary evening, Angeline Vallencourt is ripped from life as she knows it and thrust into a world she doesn't understand. As a newly turned vampire, the only one she can turn to for help is the vampire who becomes her

worst nightmare. Megan Denham is in the wrong place at the wrong time. After ending up the victim of a robbery-gone-wrong, her life is turned upside down by the strange and beautiful Angeline. If Angeline is telling the truth about who she is, then everything Megan believes about the world is a lie. If Angeline is lying, then she will have to walk away from the first person to set

her heart on fire. When suspicious deaths begin to occur in their small town of Fog Hollow, Angeline and Megan find themselves as unlikely allies, with an even more unlikely attraction. Anna and the French Kiss Simon and Schuster
The #1 New York Times bestselling author of the Vampire Academy and Bloodline series returns with the second installment in her acclaimed Age of X

series. Religious investigator Justin March and Mae Koskinen—the beautiful supersoldier assigned to protect him—have been charged with investigating reports of the supernatural and the return of the gods, both inside the Republic of United North America and out. With this highly classified knowledge comes a shocking revelation: Not only are the gods vying for human

control, but the elect—special humans marked by the divine—are turning against one another in bloody fashion. Their mission takes a new twist when they are assigned to a diplomatic delegation headed by Lucian Darling, Justin’s old friend and rival, going into Arcadia, the RUNA’s dangerous neighboring country. Here, in a society where women are commodities

and religion is intertwined with government, Justin discovers powerful forces at work, even as he struggles to come to terms with his own reluctantly acquired deity. Meanwhile, Mae—grudgingly posing as Justin’s concubine—has a secret mission of her own: finding the illegitimate niece her family smuggled away years ago. But with Justin and Mae resisting the

resurgence of the gods in Arcadia, a reporter's connection with someone close to Justin back home threatens to expose their mission—and with it the divine forces the government is determined to keep secret.

And the dark secret that could destroy them all! Blackmoon Bay is a city of monsters. Surviving here means never leaving home without a sharp stake. It means keeping secrets, even from friends.

Good policy-until the night I accidentally resurrect a dead girl, rekindling my magic and drawing the Bay's most dangerous men to my doorstep. Asher, the bad-boy incubus. Whether you're into romances that are dark and moody or light and fun, these stories will quench that insatiable thirst for enchanting tales of the beautiful undead. *The Road* Penguin NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They

have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of

its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Fahrenheit 451 Ballantine Books "A Junior Library Guild selection"-- Jacket. **Shadow Kiss** Macmillan Thirteen-year-old Nina is imprisoned by the Population Police, who
