BERRY JOSEPH

English Language and Literature for the IB Diploma Oxford University Press, USA

This book reads the surprisingly widespread representations of cannibals and cannibalism in medieval English literature as political metaphors that were central to England's on-going process of articulating cultural and national identity.

The Bookman Illustrated History of English Literature Hodder Education

For students studying the revised Language A Literature syllabus in English for the IB Diploma. Subject Index of the Modern Works Added to the Library of the British Museum in the Years 1881-1900 Hodder Education

A thoroughly revised and updated edition of Thomas C. Foster's classic guide—a lively and entertaining introduction to literature and literary basics, including symbols, themes, and contexts—that shows you how to make your everyday reading experience more rewarding and enjoyable. While many books can be enjoyed for their basic stories, there are often deeper literary meanings interwoven in these texts. How to Read Literature Like a Professor helps us to discover those hidden truths by looking at literature with the eyes—and the literary codes—of the ultimate professional reader: the college professor. What does it mean when a literary hero travels along a dusty road? When he hands a drink to his companion? When he's drenched in a sudden rain shower? Ranging from major themes to literary models, narrative devices, and form, Thomas C. Foster provides us with a broad overview of literature—a world where a road leads to a quest, a shared meal may signify a communion, and rain, whether cleansing or destructive, is never just a shower—and shows us how to make our reading experience more enriching, satisfying, and fun. This revised edition includes new chapters, a new preface, and a new epilogue, and incorporates updated teaching points that Foster has developed over the past decade.
