The Knowing  
the Bible  
series is a new  
resource  
designed to  
help Bible  
readers better  
understand  
and apply

God's Word.  
Each 12-week  
study leads  
participants  
through one  
book of the  
Bible and is  
made up of  
four basic  
components:

(1) Reflection questions designed to help readers engage the text at a deeper level; (2) “Gospel Glimpses” highlighting the gospel of grace throughout the book; (3) “Whole-Bible Connections” showing how any given passage connects to the Bible’s overarching story of redemption culminating in Christ; and (4) “Theological Soundings” identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God’s grace on each and every page of the Bible. The book of Romans was Paul’s greatest literary achievement, a majestic letter in which the apostle expounds on crucial doctrines such as original sin, election, substitutionary atonement, the role of the law, and justification by faith alone. Plumbing the theological depths, Jared Wilson writes with a pastor’s eye toward understanding and application as he explains the biblical text with clarity and passion, helping readers follow along as Paul recounts the history of salvation and illuminates

the glories of  
the cross of  
Christ.

Even though  
William S.  
Plumer was  
know in the  
American  
Presbyterian  
community as  
an intellectual  
and a very  
fine  
theologian, he  
was given  
grace from  
God to

ability to write  
on profound  
subjects using  
the  
everyman's

to make

to everyone.  
This book  
presents in a  
rather  
telegraphic  
manner,  
though not in  
a simplistic  
way, all the  
fundamentals  
doctrines of  
the Christian  
faith, focusing  
on the  
essentials that  
could help  
anyone know  
the Lord and  
be saved. The  
average  
Christian will  
no doubt  
treasure this

he/she will  
thus have  
access to a  
compendium

of theology  
concentrating  
in only two  
hundred  
pages the  
essential

notice that  
even those  
believers with  
rich biblical  
knowledge  
have come to  
treasure  
Plumer's book,  
and this is  
because they  
themselves  
need to "come  
down" from  
time to time  
from studying  
those deeper  
and more  
complicated  
doctrines of  
Christianity, to  
refresh  
themselves in

the fundamentals of the Gospel and to return to the cross of Christ whenever the temptation of intellectualism reaches their souls. This book has been originally published in 1875 under the title *Theology for Everyone. Biblical Doctrine, Plainly Stated.* The current edition has been proofread, typeset for eBook readers, and slightly updated for modern readers. About

the author: William Swan Plumer (1802-1880) was an American elder, preacher, theologian, and author renowned in the Presbyterian Church. Plumer wrote over 30 books, including commentaries on Romans, Hebrews, and Psalms, as well as numerous tracts and pamphlets. He became a professor at Western Theological Seminary and Columbia Theological

Seminary. Plumer died on October 22, 1880. **Faith's Fundamentals** Crossway Basic doctrines of the Christian faith are in this volume. Lessons include studies on faith, repentance, baptism, and the mission of the church today. The 13 lesson format make it a wonderful Sunday school class study. **Fundamentals of the Faith** College Press Every believer needs to

establish a sound spiritual FOUNDATION because it sets the groundwork for their entire walk with the LORD. Just as a good foundation is required for a sound building, so a proper spiritual foundation is vital for a victorious Christian life. Those who fail to lay a proper foundation are doomed to spiritual immaturity because they have nothing by which to judge what is right or wrong, scriptural or

unscriptural, wise or foolish. Simply put, a healthy biblical understructure eliminates feeble spirituality. Believers who neglect to form a wise foundation can shipwreck their faith altogether, as Paul put it in 1 Timothy 1:19, and find themselves back in the world-in spiritual darkness and separate from God. That's why this book exists. It'll help believers lay a quality understructure so that their

faith isn't shipwrecked at some point down the road. The Bible details the six basic doctrines of Christianity in Hebrews 6:1-2 where they are described as "elementary." This means "the initial (starting) point" in the Greek. In other words, these six doctrines come first and are therefore the chief teachings of Christianity. They're "basic" only in the sense that they're foundational

and consequently have priority over other doctrines. They are the SIX CHIEF DOCTRINES of Christianity. *Bible Doctrines* InterVarsity Press The Foundations of Christian Doctrine Bible Temple Publications **Guanya Pau: Story of an African Princess** Independently Published One of the greatest defenses of the faith that covers all the central teachings of

Christianity, including the deity of Christ, the virgin birth, the second coming, and salvation by grace. *Christian Beliefs* Tyndale House Publishers, Inc. How do we know the Bible is God's Word? What is sin and where did it come from? How is Jesus fully God and fully man? What are spiritual gifts? When and how will Christ return? If you've asked these, then "systematic

theology" is no abstract term. It's an approach to finding answers every Christian needs to know. Bible Doctrine takes a highly commended upper-level textbook on systematic theology and makes it accessible to the average reader. Abridged from Wayne Grudem's award-winning *Systematic Theology*, Bible Doctrine covers the same essentials of the faith, giving you a

firm grasp on seven key topics: The Doctrine of the Word of God The Doctrine of God The Doctrine of Man The Doctrine of Christ The Doctrine of the Application of Redemption The Doctrine of the Church The Doctrine of the Future Like Systematic Theology, this book is marked by its clarity, its strong scriptural emphasis, its thoroughness in scope and detail, and its

treatment of such timely topics as spiritual warfare and the gifts of the Spirit. But you don't need to have had several years of Bible school to reap the full benefits of Bible Doctrine. It's easy to understand--and it's packed with solid, biblical answers to your most important questions. **Contacts** The Foundations of Christian Doctrine Best-Selling Author Paul David Tripp Unpacks 12 Doctrines for Everyday Christian Living Doctrine—what Christians believe—directly influences how they live. The biblical truths about God, humanity, and the world are not merely about knowing more—they are also about loving God and making sense of this life and the life to come. But what happens when there is disparity between what believers confess and how they live? In his latest book, *Do You Believe?*, pastor and best-selling author Paul David Tripp takes a close look at 12 core doctrines and how they engage and transform the human heart and mind. According to Tripp, “true belief is always lived.” To demonstrate, he unpacks each doctrine and presents its relevance for the Christian life. As readers explore topics such as the doctrine of God, the holiness of God, and the doctrine of Scripture, they will be fueled to fall deeper in love with and stand in awe of their Creator and Father—putting the truths of God’s word on display for all the world to see.

### **Fundamentals of Bible Doctrine**

Zondervan  
The Formation of Christian Doctrine is a high-level academic study of the history of Christian doctrinal development. The book distinguishes at length between the scholarly term “inventio”

(making explicit what is implicit in the biblical revelation) and the idea of “invention” (presenting a novelty as Christian teaching that conflicts with the biblical revelation). Specifically, The Formation of Christian Doctrine identifies biblical inerrancy as an invention but sees the “priesthood of believers” concept as a license to believe “whatever teaching seems right to me.” Sure to

be of interest in academic circles, even to those who might disagree with the author, this book will appeal to three major groups: Evangelicals in relation to the twentieth-century development of a detailed doctrine of biblical inerrancy, Baptists in light of both biblical inerrancy and the seventeenth-century development of believer’s baptism, and Roman Catholics

because of their respect for tradition and interest in such a challenging conservative Protestant perspective as is found here. Fundamentals Of Bible Believing Christianity Zondervan Academic  
In our busy society many Christians find it hard to take the time to read and understand

larger systematic theology and apologetic (defense of the faith) books. The Fundamentals of the Christian Faith gives a clear and concise explanation of several essential Bible doctrines to help ground believers in the Christian faith and equip them with practical knowledge in basic

apologetics. This book is the result of many years of Bible study, evangelistic work, and apologetic research and debate. It will help to prepare anyone who wants to do the work of evangelism, make disciples of Christ, and refute many false teachings that exist in our world today.
