An essential guide to harnessing the ancient power of the moon and using it to heal, transform and create lasting change in your life. Do you have certain days when you feel like the universe is against you? Do some days just flow more easily than others? Are you seeking a way to live in tune with nature? You probably know all about your Sun Sign, which describes your personality, but have you heard of your Moon Sign?

Your Lunar zodiac sign governs your emotional life, your inner mood, and your day-to-day energy. Moon Astrology will teach you all about your moon sign so that you can harness the moon's cosmic power, knowing when and how to use that power is key.

Understanding when the moon passes through its phases, letting the ebb and flow of its energy wash through you like the coming and going of the tides, will help you to improve and empower every aspect of your life. When you tap into the moon's tempo and plan the events of your life in tune with its rhythm, you will feel more centered and balanced. Discover sections on interpreting your moon sign, understanding the different phases of the moon, and mastering "moon-phase life planning". Moon Astrology is the indispensable guide to discovering how the moon can impact your instincts and intuitions, and have subtle effects on the rhythms of everyday life.

Astrology of the Moon Hay House, Inc

An essential part of your astrological profile, your Moon sign represents your inner world, your

Your Moon sign represents your emotional being, your private and intuitive self and not necessarily the face you show to the world. Your unstudied responses, moods, longings, fears and motivation are all expressed by where the Moon was at your time of birth. It's your essence - who you are on the inside, beneath your socially acceptable Sun sign. If you want to know yourself well, or are compelled to understand the people around you, the Moon offers a swell of dynamic psychological insight that unlocks the door to the authentic person within. Understanding your Moon sign gives you the tools to master your fears and better control how you respond when you feel triggered. You'll

understand what attracts you in love, look your vulnerabilities in the eye, and appreciate why you act in a particular way to protect or defend yourself. The Moon's

fluctuating phases and fast-moving nature reflect your dynamic inner landscape, pushing and pulling on your emotions, just as it does with the ocean's tides. Here

bestselling author and astrologer, Marion Williamson reveals what your Moon sign says about you and how it interacts with your Sun sign.
