SCHNEIDER STEPHENS

The 16th Mississippi Infantry DigiCat

The Army of Northern Virginia's chaotic dispersal began even before Lee and Grant met at Appomattox Court House. As the Confederates had pushed west at a relentless pace for nearly a week, thousands of wounded and exhausted men fell out of the ranks. When word spread that Lee planned to surrender, most remaining troops stacked their arms and accepted paroles allowing them to return home, even as they lamented the loss of their country and cause. But others broke south and west, hoping to continue the fight. Fearing a guerrilla war, Grant extended the generous Appomattox terms to every rebel who would surrender himself. Provost marshals fanned out across Virginia and beyond, seeking nearly 18,000 of Lee's men who had yet to surrender. But the shock of Lincoln's assassination led Northern authorities to see threats of new rebellion in every rail depot and harbor where Confederates gathered for transport, even among those already paroled. While Federal troops struggled to keep order and sustain a fragile peace, their newly surrendered adversaries seethed with anger and confusion at the sight of Union troops occupying their towns and former slaves celebrating freedom. In this dramatic new history of the weeks and months after Appomattox, Caroline E. Janney reveals that Lee's surrender was less an ending than the start of an interregnum marked by military and political uncertainty, legal and logistical confusion, and continued outbursts of violence. Janney takes readers from the deliberations

of government and military authorities to the ground-level experiences of common soldiers. Ultimately, what unfolds is the messy birth narrative of the Lost Cause, laying the groundwork for the defiant resilience of rebellion in the years that followed. *Tara Revisited: Women, War, & the Plantation Legend* BRILL Unabridged version of *The Red Badge of Courage*, by Stephen Crane, offered here for chump change. A breakthrough novel of American literature, it changed the perception of what literature should be or do. The book tells the ambitious tale of Henry Fleming, Civil War soldier, who tries to avenge his feelings of cowardice with a wound, a "red badge," so that none could accuse him thereafter of any inappropriate action. Read the resonating tale that has never been out of print for over 100 years in this affordably printed volume. Contents Chapter 1 3 Chapter 2 7 Chapter 3 11 Chapter 4 15 Chapter 5 17 Chapter 6 20 Chapter 7 23 Chapter 8 24 Chapter 9 27 Chapter 10 29 Chapter 11 31 Chapter 12 34 Chapter 13 37 Chapter 14 39 Chapter 15 42 Chapter 16 43 Chapter 17 46 Chapter 18 48 Chapter 19 50 Chapter 20 52 Chapter 21 55 Chapter 22 57 Chapter 23 59 Chapter 24 61

Ida B. Wells, Voice of Truth Createspace Independent Publishing Platform

Twelve-year-old Lou Montgomery's life has been centered on her mother's terrifying plan to make her a singing star, but a crisis reveals Lou's sensory processing disorder and people determined to help her address it.

The Abolition of Slavery ABDO

Meet Abraham Lincoln, our 16th president-and possibly one of the most extraordinary "ordinary" people who ever lived. Lincoln was

a self-educated man who rose to the highest office in the land. He held the nation together during the Civil War and pushed for the end of slavery in America. He will always be remembered. This series of engaging, in-depth books introduces readers to the men who have led our country since its very first days. Lively text and colorful illustrations are supplemented by fun facts, a timeline, and even a sampling of the subject's most famous quotes. Presidential Biographies will be the first books kids reach for when writing a report-or if they're simply looking for a fascinating read!

Source-book of American History WW Norton

Told from the point of view of an ordinary foot soldier, this personal memoir has been hailed as one of the liveliest, wittiest, and most significant commentaries ever written on the Civil War. Among the plethora of books about the Civil War, Company Aytch stands out for its uniquely personal view of the events as related by a most engaging writer—a man with Twain-like talents who served as a foot soldier for four long years in the Confederate army. Samuel Rush Watkins was a private in the confederate Army, a twenty-one-year-old Southerner from Tennessee who knew about war but had never experienced it firsthand. With the immediacy of a dispatch from the front lines, here are Watkins' firsthand observations and recollections, from combat on the battlefields of Shiloh and Chickamauga to encounters with Stonewall Jackson and Robert E. Lee, from the tedium of grueling marches to the terror of fellow soldiers' deaths, from breaking bread with a Georgia family to confronting the enemy eye to eye. By turns humorous and harrowing, fervent and philosophical, Company Aytch offers a rare and exhilarating glimpse of the Civil

War through the eyes of a man who lived it—and lived to tell about it. This edition of *Company Aytch* also contains six previously uncollected articles by Sam Watkins, plus other valuable supplementary materials, including a map and period illustrations, a glossary of technical and military terms, a chronology of events, a concise history of Watkins's regiment, a biographical directory of individuals mentioned in the narrative, and geographic and topical indexes.

The Abolition Of Slavery The Right Of The Government Under The War Power Henry Holt and Company (BYR)

Examines the issues leading up to the Civil War, its primary causes, principal figures, reasons for the secession of the South, first battle, and the effects of such acts as the Missouri Compromise and Kansas-Nebraska Act.

The Red Badge of Courage (Chump Change Edition) UNC Press Books

Looks at the soldiers and generals who fought in the Civil War, including both Union and Confederate armies, as well as President Lincoln's work to end the conflict and abolish slavery.

Women of the Civil War Vintage

In the early days of the American Civil War, Harry thought it was just a quarrel among politicians -- until his young son ran away to join a guerrilla raid against the Confederates. Within weeks, Harry himself was falsely accused of sabotage, tried in a rigged courtroom, and sentenced to hang for treason. Based on true events and the real life of Harrison Self, this is a tale of eastern Tennessee, where loyalty to the Union survived long after the state had seceded. At times evoking the diaries, humorous tales, and adventure narratives of the period, it is the story of a man for whom love of country was not a given, but the result of decisions forged under pressure. In the course of his war, he will lose a son, plumb a daughter's love, and form a strange bond with the

region's most controversial figure, W. G. Brownlow. Unremarked by history, Harry experienced, firsthand, the serial betrayals and surprising loyalties of a bloody war on his doorstep. How he survived -- and what he became -- is a suspenseful and moving tale of a soul's reformation.

U.S. History Arcadia Publishing

Relive the incredible true-life story of U.S. Grant, who rose through the ranks as a soldier to become one of the Civil War's most influential generals, and the 18th President of the United States. Born in 1822, Ulysses S. Grant gained national fame as The Commanding General of the U.S. Army whose brilliant tactics helped to end the bloody Civil War. After the war, he served as the 18th President of the United States during a period of change, turmoil, and regrowth. Prior to his death in 1885, Grant documented his experiences in a detailed and candid style that tells the remarkable story of an American patriot and military tactical genius. Volume 1 in this two-volume Special Edition set starts with his ancestry and boyhood life in Ohio, continuing to his West Point experiences and distinguished service in the Mexican War. He recounts his private life in the years between the Mexican War to the outbreak of the Civil War, where he started his career in the rebellion as Colonel of the 21st Illinois. Grant candidly writes about the early years of the Civil War, his relationships with soldiers and fellow commanders, and battles such as Pittsburg Landing, Black River Bridge, and Vicksburg. The Illustrated Special Edition from the CGR Publishing restoration workshop features full-size 7" x 10" pages with the original, classic type font and page layouts as well as digitally re-scanned images and a modern retro-inspired cover designed to lighten even the most sophisticated reading room.

The Politically Incorrect Guide to the Civil War Berkley

The *Historiography of Late Republican Civil War* represents a close and coherent study of developments and discussions concerning the concept of civil war in the late republican and early imperial historiography of the late Republic.

Men Who Fought in the Civil War American Bar Association

On the hot summer evening of July 2, 1863, at the climax of the struggle for a Pennsylvania hill called Little Round Top, four Confederate regiments charge up the western slope, attacking the smallest and most exposed of their Union foe: the 16th Michigan Infantry. Terrible fighting has raged, but what happens next will ultimately—and unfairly—stain the reputation of one of the Army of the Potomac's veteran combat outfits, made up of men from Detroit, Saginaw, Ontonagon, Hillsdale, Lansing, Adrian, Plymouth, and Albion. In the dramatic interpretation of the struggle for Little Round Top that followed the Battle of Gettysburg, the 16th Michigan Infantry would be remembered as the one that broke during perhaps the most important turning point of the war. Their colonel, a young lawyer from Ann Arbor, would pay with his life, redeeming his own reputation, while a kind of code of silence about what happened at Little Round Top was adopted by the regiment's survivors. From soldiers' letters, journals, and memoirs, this book relates their experiences in camp, on the march, and in battle, including their controversial role at Gettysburg, up to the surrender of Gen. Robert E. Lee at Appomattox Court House.

The 16th Michigan Infantry in the Civil War, Revised and Updated MSU Press

Call to Freedom Chump Change

Published by OpenStax College, *U.S. History* covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. *U.S. History* is designed to meet the scope and sequence requirements of most courses. The

authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Thirty Seventh Illinois Civil War Stories from the Back of the Battle Simon and Schuster

'I believe that, so long as the slave States are able to sustain their institutions without going abroad or calling upon other parts of the Union to aid them or act on the subject, so long I will consent never to interfere. I have said this, and I repeat it; but if they come to the free States, and say to them, you must help us to keep down our slaves, you must aid us in an insurrection and a civil war, then I say that with that call comes a full and plenary power to this House and to the Senate over the whole subject.' ~ John Quincy Adams

Slavery and the Civil War Penguin

Celebrate the women who played a pivotal role in the American Civil War. *Women of the Civil War* gives a detailed, contemporary look at the women who fought, served, aided, mended, and supported the efforts of both the Union Army and the Confederacy. In many cases they followed their brothers and husbands to the field of battle and into enemy prisons; some ventured to the edge of the fight to rescue the wounded or comfort the dying. They came from all walks of life and exhibited persistence, endurance, faith, and compassion. Initially written by Frank Moore in 1866, this spectacular book sheds light on many of the forgotten heroes of the Civil War. Presented in this enlarged special edition format, *Women of the Civil War* authentically reproduces the original, classic type font with digitally scanned engravings from the source. Thousands of women labored in the field and city hospitals, and on the hospital boats where the most severely wounded men were received. They penetrated the lines of the enemy on dangerous missions and organized great charities. They pushed American sanitary enterprises and served as angels of mercy in situations untold. Gettysburg--The First Day Createspace Independent Publishing Platform

In this classic study, Pulitzer Prize-winning author James M. McPherson deftly narrates the experience of blacks--former slaves and soldiers, preachers, visionaries, doctors, intellectuals, and common people--during the Civil War. Drawing on contemporary journalism, speeches, books, and letters, he presents an eclectic chronicle of their fears and hopes as well as their essential contributions to their own freedom. Through the words of these extraordinary participants, both Northern and Southern, McPherson captures African-American responses to emancipation, the shifting attitudes toward Lincoln and the life of black soldiers in the Union army. Above all, we are allowed to witness the dreams of a disenfranchised people eager to embrace the rights and the equality offered to them, finally, as citizens.

Report on the Condition of the South Cambridge University Press For good reason, the second and third days of the Battle of Gettysburg have received the lion's share of attention from historians. With this book, however, the critical first day's fighting finally receives its due. After sketching the background of the

Gettysburg campaign and recounting the events immediately preceding the battle, Harry Pfanz offers a detailed tactical description of events of the first day. He describes the engagements in McPherson Woods, at the Railroad Cuts, on Oak Ridge, on Seminary Ridge, and at Blocher's Knoll, as well as the retreat of Union forces through Gettysburg and the Federal rally on Cemetery Hill. Throughout, he draws on deep research in published and archival sources to challenge many long-held assumptions about the battle.

U.S. History by OpenStax (Print Version, Paperback, B&W, Volume 1 & 2) Princeton University Press

By analytically decoupling war and violence, this book explores the causes and dynamics of violence in civil war. Against the prevailing view that such violence is an instance of impenetrable madness, the book demonstrates that there is logic to it and that it has much less to do with collective emotions, ideologies, and cultures than currently believed. Kalyvas specifies a novel theory of selective violence: it is jointly produced by political actors seeking information and individual civilians trying to avoid the worst but also grabbing what opportunities their predicament affords them. Violence, he finds, is never a simple reflection of the optimal strategy of its users; its profoundly interactive character defeats simple maximization logics while producing surprising outcomes, such as relative nonviolence in the 'frontlines' of civil war.

Enslavement in Memphis Vintage

The true story of a great American and influential general from the Civil War First published in 1886, this remarkable story of General George B. McClellan was posthumously published by his wife, Ellen M. McClellan. The original full title is *McClellan's Own Story: The War for the Union - The Soldiers Who Fought It - The Civilians Who Directed It - And His Relationship To It And To Them*. This spectacular reprint includes the biographical sketch of George McClellan by W.C. Prime, LL.D., and numerous digitally remastered illustrations from a pristine source. Historians and Civil War enthusiasts will enjoy this candid autobiography that tells McClellan's Civil War story from his point of view and includes numerous private letters and communications about battles, fellow generals, and President Abraham Lincoln.

Remastered with the original period font and a new cover design fit for display in the finest reading rooms. Born in Philadelphia and

destined to become the governor of New Jersey, George B. McClellan is known as one of the most significant Union generals early in the American Civil War. He played an important role in raising the Army of the Potomac and served as general in chief of the Union army for a brief period. He was removed from command in 1862 and went on to a successful career in politics and writing.
