 "This book not only brings together existing guidance on hydraulic design, including design wave conditions, prediction of scour and vessel mooring loads, but also presents new methods (developed from extensive laboratory testing) for the prediction of wave loading, including forces on the underside of jetty decks. These

guidelines will help maritime designers to optimise jetty designs, and are an essential reference resource."--
 BOOK JACKET. *Theory and Practice* Arend Publishing Inc. From New York Times bestselling author Vivian Arend. ---
 Three things make billionaire Jim Halcyon's to-do list: women, work...and more women. It's a perfect agenda for a rich shifter who has no problem letting his

inner grizzly out to play. From the bright lights of Vegas, to the sophisticated action of New York-he's got the money and the power to do anything he wants. Anything, except resist the lure of Lady Luck, an ancient copper coin he gambles yearly to possess. Jim is determined to regain control of the pretty penny, and damn if he'll let any bit of eye candy distract him from his goal. Not even the mesmerizing

woman in the middle of the casino floor with the shimmering hair and enormous green eyes. With a life-changing move ahead of her, Lillie's finagled a temporary layover en route to her

future. She's got five days to soak in new experiences, and while Vegas is too big and shiny and loud for her shy bear self, she's eager to do this up right. It's the last chance she's got to let her hair down.

Until his challenge begins, Jim is more than willing to oblige Lillie's wish for a final fling. Only Lady Luck has some twists of fate planned for them both...
