NOW A MAJOR MOTION PICTURE The #1 bestselling author of *Saturday* and *Atonement* brilliantly illuminates the collision of sexual longing, deep-seated fears and romantic fantasy in his unforgettable, emotionally engaging novel. The year is 1962. Florence, the daughter of a successful businessman and an aloof Oxford academic, is a talented violinist. She dreams of a career on the concert stage and of the perfect life she will create with Edward, the earnest young history student she met by chance and who unexpectedly wooed her and won her heart. Edward grew up in the country on the outskirts of Oxford where his father, the headmaster of the local school, struggled to keep the household together and his mother, brain-damaged from an accident, drifted in a world of her own. Edward's native intelligence, coupled with a longing to experience the excitement and intellectual fervour of the city, had taken him to University College in London. Falling in love with the accomplished, shy and sensitive Florence--and having his affections returned with equal intensity--has utterly changed his life. Their marriage, they believe, will bring them happiness, the confidence and the freedom to fulfill their true destinies. The glowing promise of the future, however, cannot totally mask their worries about the wedding night. Edward, who has had little experience with women, frets about his sexual prowess. Florence's anxieties run deeper: she is overcome by conflicting emotions and a fear of the moment she will surrender herself. From the precise and intimate depiction of two young lovers eager to rise above the hurts and confusion of the past, to the touching story of how their unexpressed misunderstandings and fears shape the rest of their lives, *On Chesil Beach* is an extraordinary novel that brilliantly, movingly shows us how the entire course of a life can be changed--by a gesture not made or a word not spoken.

Ballard's books have remained fresh decades after they were first published, and the thoughts collected in *J.G. Ballard: Quotes* have worn equally as well. Small enough to fit in a pocket, this book brings together J. G. Ballard's trenchant thoughts on music, film, celebrity, the rise of corporate media, the death of reality, and much more. Grouped by topics such as "Sex: Relationships, Sex x Technology equals the Future, Pornography" and "Surrealism, Imagination," these quotes are both concise and clear, and provide a strong beacon for readers who are used to a baffling daily assault of advertisements, phone calls, and e-mails. They are also an excellent resource to help readers better understand Ballard's novels, which stand among the most visionary, provocative literature of the 20th century. A Ballardian glossary, the essay "Guide to Virtual Death," and a bibliography round out this excellent resource.

Stories that Come True Vintage

From the Booker Prize winning author of *Amsterdam*, a brilliant new novel. On the hottest day of the summer of 1935, thirteen-year-old Briony Tallis sees her sister Cecilia strip off her clothes and plunge into the fountain in the garden of their country house. Watching her is Robbie Turner, son of the Tallis's cleaning lady, whose education has been subsidized by Cecilia's and Briony's father, and who, like Cecilia, has recently come down from Cambridge. By day's end, their lives will be changed - irrevocably. Robbie and Cecilia will have crossed a boundary they had not imagined at its start. And Briony will have witnessed mysteries, seen an unspeakable word, and committed a crime for which she will spend the rest of her life trying to atone... Brilliant and utterly enthralling in its depiction of love and war and class and childhood and England, *An Atonement* is a profound - and profoundly moving - exploration of shame and forgiveness, of atonement and of the possibility of absolution.

"Charles Frieth, pre-eminent composer, conductor and prodigious womaniser, is preparing for a performance of one of his early works, and the world premier of *Demonic Aubade*. Obstinate and myopic, he is oblivious to the growing turmoil around him; his wife's poor health and dissatisfaction; the exhausted efforts of his secretary, and the disquieting diligence of his housekeeper, Maria. As the first performance draws near, the maestro is suddenly awoken to the chaos, and as Charles struggles to regain control of his life, a terrible tragedy begins to unfold" -- Back cover.

In this magically evocative novel, William Maxwell explores the enigmatic gravity of the past, which compels us to keep explaining it even as it makes liars out of us every time we try. On a winter morning in the 1920s, a shot rings out on a farm in rural Illinois. A man named Lloyd Wilson has been killed. And the tenuous friendship between two lonely teenagers—one privileged yet neglected, the other a troubled farm boy—has been shattered. Fifty years later, one of those boys—now a grown man—tries to reconstruct the events that led up to the murder. In doing so, he is inevitably drawn back to his lost friend Cletus, who has the misfortune of being the son of Wilson's killer and who in the months before witnessed things that Maxwell's narrator can only guess at. Out of memory and imagination, the surmises of children and the destructive passions of their parents, Maxwell creates a luminous American classic of youth and loss.

The Booker Prize-winning contemporary morality tale—cleverly disguised as a comic novel—from the acclaimed author of *Atonement*. On a chilly February day, two old friends meet in the throng outside a London crematorium to pay their last respects to Molly Lane. Both Clive Linley and Vernon Halliday had been Molly's lovers in the days before they reached their current eminence: Clive is Britain's most successful modern composer, and Vernon is a newspaper editor. Gorgeous, feisty Molly had other lovers, too, notably Julian Garmony, Foreign Secretary, a notorious right-winger tipped to be the next prime minister. In the days that follow Molly's funeral, Clive and Vernon will make a pact with consequences that neither could have foreseen...

Seminar paper from the year 2009 in the subject Cultural Studies - Basics and Definitions, grade: 3,0, Johannes Gutenberg University Mainz (Department of British & Irish Studies / Translation Studies), course: Seminar: Transferring & Translating Media (Novels to Film): Ian McEwan's *Atonement*, language: English, abstract: "Atonement", the novel by Ian McEwan published in 2001,

is qualified by many critics as a "wartime love story". It is an interpretation that suits the glamorous criteria needed by the public and provided by the media nowadays. This interpretation however solely focuses on the characters of Cecilia and Robbie and forgets the important part that Briony or her writing process play in the novel and Joe Wright's film. A complete reading of *Atonement* should include a study of the title and its implications in the story. We will start by analyzing the meaning of the word "atonement". The choice of this title has a special significance for the whole novel and should lead us readers and spectators to understand its message - to know whether the spirit of the novel has been respected by the film maker is a question to which we will also answer briefly. The tragic event that happened in Part One of the novel could never have taken place in a more opened social environment. With other codifications, more courage and less things left unsaid, the story would have been different. We will examine some of the taboos that played an important role in the shaping of *Atonement's* characters. The notion of guilt is very present in the novel, thus it will be, in relation to atonement, the central focus of this paper. We will consider the main characters, i.e. Briony, Robbie, Cecilia, Lola and Paul Marshall and try to evaluate the degree to which each one of them is guilty, feels guilty and is willing to atone for his sins. The last part of the paper will be essentially dedicated to the film, to Joe Wright's interpretation of the concepts we named above. Considering our paper's subject, was it a good or a bad adaptation?

Darkly brilliant short fiction by the New York Times-bestselling, Booker Prize-winning author of *Machines Like Me* and *Atonement*. A two-timing pornographer becomes the unwilling object in the fantasies of one of his victims. A jaded millionaire buys himself the perfect mistress and plunges into a hell of jealousy and despair. Over the course of a weekend, a guilt-ridden father with his teenage daughter discovers the depths of his own blundering innocence. Whether these are the written transcripts of dreams or deadly accurate maps of the tremor zones of our psyche, all seven stories in this collection implicate us in the most fearful ways imaginable. "His stories are complex and his prose, like Orwell's, is as clear as windowpane... McEwan's comic edge gives these stories a moral force. They are not meant simply to shock and horrify middle-class readers. Rather, like all good satire, they seek to unmask hypocrisy and cruelty."—The Washington Post Book World

A jewel of a short story from the author of *Atonement* and *Nutshell*—"My Purple Scented Novel" follows the perfect crime of literary betrayal, scrupulously wrought yet unscrupulously executed. Published to celebrate Ian McEwan's 70th birthday. "You will have heard of my friend the once celebrated novelist Jocelyn Tarbet, but I suspect his memory is beginning to fade. . . . You'd never heard of me, the once obscure novelist Parker Sparrow, until my name was publicly connected with his. To a knowing few, our names remain rigidly attached, like the two ends of a seasaw. His rise coincided with, though did not cause, my decline. . . . I don't deny there was wrongdoing. I stole a life, and I don't intend to give it back. You may treat these few pages as a confession."

Sherry Thomas is one of the hottest new voices in historical romance, garnering the highest praise from today's bestselling writers ("Entrancing." —Mary Balogh; "Ravishingly sinful, intelligent and

addictive." —Eloisa James). Now Sherry delivers this powerful story of a remarkable woman and the love she thought she'd never find—with the man she thought she'd lost forever.... Their marriage lasted only slightly longer than the honeymoon—to no one's surprise, not even Bryony Asquith's. A man as talented, handsome, and sought after by society as Leo Marsden couldn't possibly want to spend his entire life with a woman who rebelled against propriety by becoming a doctor. Why, then, three years after their annulment and half a world away, does he track her down at her clinic in the remotest corner of India? Leo has no reason to think Bryony could ever forgive him for the way he treated her, but he won't rest until he's delivered an urgent message from her sister—and fulfilled his duty by escorting her safely back to England. But as they risk their lives for each other on the journey home, will the biggest danger be the treacherous war around them—or their rekindling passion?
