Since the beginning of time, God had a clear image of how He wanted His children to live. Although that plan has been altered by both humans and the great deceiver, Satan, God still has a plan to bring prosperity to His people through the power of multiplication. Now author Celeste Perez, building on a biblical foundation, demonstrates that God is the originator of the power of multiplication and that humans have the ability to use it for His glory. Today, there are promises that Christians can tap into through the power of multiplication. God does not want His people to live all their lives depending only on humankind or government assistance. Instead, He seeks to introduce them to a land where they can sow and reap. There is a blessing with your name on it, if you are willing to claim it. Your works should not be in vain; driven by purpose, they can change not only your life but also the lives of those around you and of

generations to come. Inspiring and uplifting, this study and guide presents ways to use God's power of multiplication in your life to prosper and grow more each day in Him.

El poder curativo de la cabala / The Healing Power of the Kabbalah El poder de la Kabbalah / The Power of Kabbalah

A dynamic exposition of the powerful, ancient Sephardic tradition of dreaming passed down from the renowned 13th-century kabbalist Isaac the Blind • Includes exercises and practices to access the dream state at will in order to engage with life in a state of enhanced awareness • Written by the close student of revered kabbalist Colette Aboulker-Muscat In Kabbalah and the Power of Dreaming Catherine Shainberg unveils the esoteric practices that allow us to unlock the dreaming mind's transformative and intuitive powers. These are the practices used by ancient prophets, seers, and sages to control dreams and visions. Shainberg draws upon the ancient Sephardic Kabbalah tradition, as well as illustrative stories and myths from around the Mediterranean, to teach readers how to harness the intuitive power of their dreaming. While the Hebrew Bible and our Western esoteric tradition give us ample evidence of dream teachings, rarely has the path to becoming a conscious dreamer been articulated. Shainberg shows that dreaming is not something that merely takes place while sleeping--we are dreaming at every moment. By teaching the conscious mind to be awake in our sleeping dreams and the dreaming mind to be manifest in daytime awareness, we are able to achieve revolutionary consciousness. Her inner-vision exercises initiate creative and

transformative images that generate the pathways to self-realization.

An introduction to the kabbalah for analytical-minded seekers, this valuable guide begins with an overview of kabbalah as a living tradition, diagramming all aspects of spiritual growth through the Tree of Life. The allegorical and metaphysical meanings of various biblical stories and Jewish themes and how these apply to the spiritual inner life are also explored. The focus then shifts to the three main approaches to the spiritual path—action, devotion, and contemplation—and advises readers on the merits of each. Una introducción a la kabbalah para los individuos analíticos pero espirituales, este guía valioso empieza con un análisis general de la kabbalah como una tradición viva, diagramando todos los aspectos de crecimiento espiritual con el Árbol de la Vida. Se exploran los significados alegóricos y metafísicos de varios relatos bíblicos y temas judíos cómo estos aplican a la vida espiritual interior. El enfoque luego cambia a los tres acercamientos al camino espiritual—acción, devoción, y contemplación—y aconseja a los lectores sobre los méritos de cada uno.
