British Columbia Gazette Kraus Reprint. Company  
AKASHVANIVol. XXIV. No. 33. ( 16 AUGUST, 1959 )Publications Division (India),New Delhi  
The New England Historical and Genealogical Register NRC Research Press  
Volume 5 comprises the three central and eastern parishes of Kirk Braddan, Kirk Marown, and Kirk Santan. The material appears in alphabetical form with discussion of any problems of interpretation, and a listing of the elements making up the names. This volume yields name-forms and elements not found in Manx literature or dictionaries. As all but a handful of names predate the Scandinavian period (9th-13th centuries) and as documentary material from that time till the 16th century is largely absent, the testimony of place-names is important for the distribution of name elements reflecting the geography and showing patterns of settlement, whether Celtic, Scandinavian, etc, and for comparative place-name research in adjacent areas, particularly Ireland, south-western Scotland, and northern England.
