"This collection of 60 poems to help three to seven-year-olds learn to read and spell is a hoot."

—The Independent "The B on your Thumb is clever, engaging, educational and fun. I wish I had thought of it." —Craig Smith, author / songwriter of The Wonky Donkey "an absolute masterpiece" —Reading Zone The B on Your Thumb is a book of 60 hilariously illustrated rhymes and delightful ditties to boost early reading – each poem teaches a specific sound, spelling or rule. Using rhythm and wordplay, they promote phonics awareness, thinking skills and literacy. But most of all, this book delights young readers with the fun and silliness of the English language. This is a book where words like to play, where letters get cross when they don't get their way. There are sounds to make and jokes to uncover. An owl in your bowl, for you to discover. Meet the K on your knee, who's ready for fun, and don't be alarmed by the B on your thumb! An introduction instructs grown-ups how to use the book and extensive activities at the end allow children to build on their learning. Grouped into four categories – sounds, silent letters and secrets, spellings and words that sound the same – the poems include: See with Two Ees The Story of Q and U The Rain in the Train Ridiculous Ph Enough of Uff Certainly a C The Most ImportANT Which Witch Learning to read has never been so much fun!The B on Your Thumb is a must for every young family's bookshelf.

In the decade since *Writing for the Fashion Business* was first published, the Internet and social media have upended the field of journalism and the fashion world, revolutionizing both industries and changing the very nature of storytelling. This second edition devotes significant space to digital content, with dedicated chapters covering online content, social media, and streaming video content. In addition to journalism, it also includes instruction on how to write for new promotional approaches emerging in the fashion world like influencer and experiential marketing, and introduces inclusion vocabulary to ensure non-discriminatory narratives. Whether in the form of an article, book, press release, email, or DM, students will gain an understanding of how written communication methods sync up with today's most common methods of commerce and communication. New to this Edition: -Trending Topic box features in each chapter discuss recent, real-life controversial situations within the fashion industry and invite students to share their ideas, concerns, and recommendations related to the situation -All new Industry Profiles in each chapter allow students to read first-hand accounts of what it's like to work in the sector of the fashion business that corresponds to the chapter topic -Chapter ending Review Questions and Learning Activities prompt students to test their knowledge STUDIO Features Include: -Review concepts with flashcards of essential vocabulary Instructor Resources -Instructor's Guide provides suggestions for planning the course and using the text in the classroom, supplemental assignments, and lecture notes
