Way of White Clouds
Sleeping Bear Press
The New York Times
best-selling book
exploring the
counterproductive
reactions white people
have when their
assumptions about
race are challenged,
and how these
reactions maintain
racial inequality. In this
“vital, necessary, and
beautiful book”
(Michael Eric Dyson),
antiracist educator
Robin DiAngelo deftly
illuminates the
phenomenon of white
fragility and “allows us
to understand racism
as a practice not
restricted to ‘bad
people’ (Claudia
Rankine). Referring to
the defensive moves

that white people
make when challenged
racially, white fragility
is characterized by
emotions such as
anger, fear, and guilt,
and by behaviors
including
argumentation and
silence. These
behaviors, in turn,
function to reinstate
white racial equilibrium
and prevent any
meaningful cross-racial
dialogue. In this in-
depth exploration,
DiAngelo examines
how white fragility
develops, how it
protects racial
inequality, and what
we can do to engage
more constructively.
Clouds New York
Review of Books
Revealing a profound
spiritual perspective
for day-to-day living,
this book covers a
variety of real-life
subjects and offers an

opportunity to view life through the eyes of loving and acceptance. The blessings contained in this book are intended to inspire and uplift into an expanded awareness of the perfection in all things.

My Way, the Way of the White Clouds

Thomas Nelson Introduces the world of Roshar through the experiences of a war-weary royal compelled by visions, a highborn youth condemned to military slavery, and a woman who is desperate to save her impoverished house. *The Way of the White Clouds* Abrams Press Originally published as *Fly a Little Higher* and now updated and revised to coincide with the film release of *Clouds*, Laura Sobiech tells the amazing, true

story behind the song and the movie. "Okay, Lord, you can have him. But if he must die, I want it to be for something big. I want someone's life to be changed forever." This is what Laura Sobiech prayed when she found out her seventeen-year-old son had only one year to live. With this desperate prayer, she released her son to God's will. At that point, Zach Sobiech was just another teenager battling cancer. When his mother told him to think about writing goodbye letters to family and friends, he decided instead to write songs. One of them, "Clouds," captured hearts and changed lives, making him an international sensation. This story is a testament to what

can happen when you live as if each day might be your last. It's a story about the human spirit. It shows how God used a dying boy from a small town in Minnesota to touch the hearts of millions—including top executives in the entertainment industry, major music artists, news anchors, talk show hosts, actors, priests and pastors, and schoolchildren across the globe. And above all, it's an example of the amazing things that happen when someone shares the most precious thing he has—himself. "I'm not a musician; I'm just a filmmaker, and my prayer is that you get an opportunity—both through the reading of this beautiful book and the watching of our

film based on it—to experience what I will fail to put into words: the magic and inspiration of Zachary David Sobiech." —Justin Baldoni, filmmaker and director of *Clouds*
The Way of the White Clouds Anchor
 Witty and charming, New York Times-bestselling author Kerstin Gier's contemporary young adult novel *A Castle in the Clouds* follows a girl as she navigates secrets, romance, and danger in an aging grand hotel. Way up in the Swiss mountains, there's an old grand hotel steeped in tradition and faded splendor. Once a year, when the famous New Year's Eve Ball takes place and guests from all over the world arrive, excitement

returns to the vast hallways. Sophie, who works at the hotel as an intern, is busy making sure that everything goes according to plan. But unexpected problems keep arising, and some of the guests are not who they pretend to be. Very soon, Sophie finds herself right in the middle of a perilous adventure—and at risk of losing not only her job, but also her heart.

Red Berries, White Clouds, Blue Sky

Rainbow Ridge
By the New York Times bestselling author of *The Bone Clocks* | Shortlisted for the Man Booker Prize A postmodern visionary and one of the leading voices in twenty-first-century fiction, David Mitchell combines flat-out adventure, a Nabokovian love of

puzzles, a keen eye for character, and a taste for mind-bending, philosophical and scientific speculation in the tradition of Umberto Eco, Haruki Murakami, and Philip K. Dick. The result is brilliantly original fiction as profound as it is playful. In this groundbreaking novel, an influential favorite among a new generation of writers, Mitchell explores with daring artistry fundamental questions of reality and identity. *Cloud Atlas* begins in 1850 with Adam Ewing, an American notary voyaging from the Chatham Isles to his home in California. Along the way, Ewing is befriended by a physician, Dr. Goose, who begins to treat him for a rare species of brain parasite. . . .

Abruptly, the action jumps to Belgium in 1931, where Robert Frobisher, a disinherited bisexual composer, contrives his way into the household of an infirm maestro who has a beguiling wife and a nubile daughter. . . . From there we jump to the West Coast in the 1970s and a troubled reporter named Luisa Rey, who stumbles upon a web of corporate greed and murder that threatens to claim her life. . . . And onward, with dazzling virtuosity, to an inglorious present-day England; to a Korean superstate of the near future where neocapitalism has run amok; and, finally, to a postapocalyptic Iron Age Hawaii in the last days of history. But the story doesn't end even

there. The narrative then boomerangs back through centuries and space, returning by the same route, in reverse, to its starting point. Along the way, Mitchell reveals how his disparate characters connect, how their fates intertwine, and how their souls drift across time like clouds across the sky. As wild as a videogame, as mysterious as a Zen koan, *Cloud Atlas* is an unforgettable tour de force that, like its incomparable author, has transcended its cult classic status to become a worldwide phenomenon. Praise for *Cloud Atlas* “[David] Mitchell is, clearly, a genius. He writes as though at the helm of some perpetual dream machine, can evidently do anything, and his ambition is written in

magma across this novel's every page."—The New York Times Book Review "One of those how-the-holy-hell-did-he-do-it? modern classics that no doubt is—and should be—read by any student of contemporary literature."—Dave Eggers "Wildly entertaining . . . a head rush, both action-packed and chillingly ruminative."—People "The novel as series of nested dolls or Chinese boxes, a puzzle-book, and yet—not just dazzling, amusing, or clever but heartbreaking and passionate, too. I've never read anything quite like it, and I'm grateful to have lived, for a while, in all its many worlds."—Michael Chabon "Cloud Atlas

ought to make [Mitchell] famous on both sides of the Atlantic as a writer whose fearlessness is matched by his talent."—The Washington Post Book World "Thrilling . . . One of the biggest joys in Cloud Atlas is watching Mitchell sashay from genre to genre without a hitch in his dance step."—Boston Sunday Globe "Grand and elaborate . . . [Mitchell] creates a world and language at once foreign and strange, yet strikingly familiar and intimate."—Los Angeles Times
The Purple Cloud
Random House
A complete explanation of the esoteric principles of Mantra that also clarifies the differences between Hindu and Tibetan

yoga. Translated into many languages, this is an important text for any student of Buddhism. With bibliography, index, and illustrations.

Rural Botswana is the backdrop for *When Rain Clouds Gather*, the first novel published by one of Africa's leading woman writers in English, Bessie Head (1937–1986). Inspired by her own traumatic life experiences as an outcast in Apartheid South African society and as a refugee living at the Bamangwato Development Association Farm in Botswana, Head's tough and telling classic work is set in the poverty-stricken village of Golema Mmidi, a haven to

exiles. A South African political refugee and an Englishman join forces to revolutionize the villagers' traditional farming methods, but their task is fraught with hazards as the pressures of tradition, opposition from the local chief, and the unrelenting climate threaten to divide and devastate the fragile community. Head's layered, compelling story confronts the complexities of such topics as social and political change, conflict between science and traditional ways, tribalism, the role of traditional African chiefs, religion, race relations, and male-female relations.

Way of White Clouds

Macmillan

A couple's future hangs in the balance as they wait for a train in a

Spanish café in this short story by a Nobel and Pulitzer Prize-winning author. At a small café in rural Spain, a man and woman have a conversation while they wait for their train to Madrid. The subtle, casual nature of their talk masks a more complicated situation that could endanger the future of their relationship. First published in the 1927 collection *Men Without Women*, "Hills Like White Elephants" exemplifies Ernest Hemingway's style of spare, tight prose that continues to win readers over to this day.

Way of the Peaceful Warrior Penguin

A brilliant satire of mass culture and the numbing effects of technology, *White*

Noise tells the story of Jack Gladney, a teacher of Hitler studies at a liberal arts college in Middle America. Jack and his fourth wife, Babette, bound by their love, fear of death, and four ultramodern offspring, navigate the rocky passages of family life to the background babble of brand-name consumerism. Then a lethal black chemical cloud, unleashed by an industrial accident, floats over their lives, an "airborne toxic event" that is a more urgent and visible version of the white noise engulfing the Gladneys—the radio transmissions, sirens, microwaves, and TV murmurings that constitute the music of American magic and dread.

In spending time with his 86-year-old mother in the advanced stages of Alzheimer's disease, author Eliezer Sobel discovered something astounding. Although she could no longer speak full sentences or follow a story line, his mother could still read! He observed her sitting in rapt attention as she paged through magazines and coffee-table books, reading individual words and short phrases aloud. He wrote *Blue Sky*, *White Clouds* for her: a simple, adult picture book with beautiful, realistic photographs and large, easy-to-read captions. Perfect for any loved one suffering with Alzheimer's or dementia.--Amazon.

The Way of the White Clouds

Candlewick Press

Li Po (701-762) is considered one of the greatest poets to live during the Tang dynasty—what was considered to be the golden age for Chinese poetry. He was also the first Chinese poet to become well known in the West, and he greatly influenced many American poets during the twentieth century. Calling himself the "God of Wine" and known to his patrons as a "fallen immortal," Li Po wrote with eloquence, vividness, and often playfulness, as he extols the joys of nature, wine, and the life of a wandering recluse. Li Po had a strong social conscience, and he struggled against the hard times of his age. He was inspired by the newly blossoming Zen Buddhism and merged

it with the Taoism that he had studied all his life. Though Li Po's love of wine is legendary, the translator, J. P. Seaton, includes poems on a wide range of topics—friendship and love, political criticism, poems written to curry patronage, poems of the spirit—to offer a new interpretation of this giant of Chinese poetry. Seaton offers us a poet who learned hard lessons from a life lived hard and offered his readers these lessons as vivid, lively poetry—as relevant today as it was during the Tang dynasty. Over one thousand poems have been attributed to Li Po, many of them unpublished. This new collection includes poems not available in any other editions. *Mountain in the Clouds*

 It's 1942: Tomi Itano, 12, is a second-generation Japanese American who lives in California with her family on their strawberry farm. Although her parents came from Japan and her grandparents still live there, Tomi considers herself an American. She doesn't speak Japanese and has never been to Japan. But after the Japanese attack on Pearl Harbor, things change. No Japs Allowed signs hang in store windows and Tomi's family is ostracized. Things get much worse. Suspected as a spy, Tomi's father is taken away. The rest of the Itano family is sent to an internment camp in Colorado. Many other Japanese American

families face a similar fate. Tomi becomes bitter, wondering how her country could treat her and her family like the enemy. What does she need to do to prove she is an honorable American? Sandra Dallas shines a light on a dark period of American history in this story of a young Japanese American girl caught up in the prejudices and World War II.

WANDERINGS IN THE HIMALAYAS

Penguin
 A high-wire artist traces his six years of planning and training to walk a wire between the towers of the nearly completed World Trade Center in 1974 and describes the history-making realization of his goal eight times in the course of an hour.
Hills Like White

Elephants Vintage

'The Buddha was the source. Venerable Svasti and the young buffalo boys were rivers that flowed from the source. Wherever the rivers flowed, the Buddha would be there.' In *Old Path White Clouds*, the world's revered master of mindfulness, Thich Nhat Hanh, retells the story of the Buddha in his own inimitably beautiful style. He draws upon Pali, Sanskrit and Chinese sources to trace the Buddha's life slowly and gently through the course of eighty years. Seen partly through the eyes of the Buddha himself and partly through those of Svasti, the buffalo boy, *Old Path White Clouds* brings the Buddha closer to us as we

journey with him on his path to enlightenment and nirvana.

Foundations of Tibetan Mysticism Beacon Press

Discourses of a Hindu religious leader.

White Fragility Henry Holt and Company (BYR)

"A devoted Buddhist and a spokesman for Tibetan culture, Lama Anagarika Govinda was one of the last foreigners to journey through Tibet before the Chinese invasion of 1950. Govinda's luminous and candid account is a spectacular and gloriously poetic story of exploration and discovery, and a sensitive and lucid interpretation of Tibetan traditions. Comprised of elements from several genres - spiritual journals,

adventure narratives, anthropological field reports, and philosophical commentaries, *The Way of the White Clouds* is one of the twentieth century's classic spiritual autobiographies and an invaluable document about a place and a way of thinking that are virtually defined by their mysteries."

"Robert Thurman's perceptive new introduction to the volume places Govinda's writings in historical context and expands understanding of Tibet, Buddhism, and the life of a remarkable man."--
BOOK JACKET.

[Why I'm No Longer Talking to White People About Race](#) Canongate Books

Now in paperback: the runaway British

bestseller that has cloudspotters everywhere looking up. Where do clouds come from? Why do they look the way they do? And why have they captured the imagination of timeless artists, Romantic poets, and every kid who's ever held a crayon? Veteran journalist and lifelong sky watcher Gavin Pretor-Pinney reveals everything there is to know about clouds, from history and science to art and pop culture. Cumulus, nimbostratus, and the dramatic and surfable Morning Glory cloud are just a few of the varieties explored in this smart, witty, and eclectic tour through the skies. Illustrated with striking photographs (including a new section in full-

color) and line drawings featuring everything from classical paintings to lava lamps, The

Cloudspotter's Guide will have enthusiasts, weather watchers, and the just plain curious floating on cloud nine.
