The Hive Queen (Wings of Fire, Book 12)  
Macmillan

Now in paperback, a riveting installment in an action-packed series. Students and staff at H.I.V.E.—the Higher Institute of Villainous Education—are horrified to discover that Dr. Nero has been captured by the forces of H.O.P.E.—the Hostile Operative Prosecution Executive—the world’s newest and most ruthlessly efficient security force. Otto decides that the only way to find Nero and the truth behind the lies is to escape H.I.V.E. But he’s also struggling with some newfound abilities: Can he really unconsciously interface with computers without physical contact? And if he can, what exactly do his new powers mean? In his search for answers, Otto must flee H.I.V.E., and take the risks that come with being a rogue agent. Then he just has to break into MI6.....

Bloodline Bloomsbury Publishing  
This ninth book in the H.I.V.E. series concludes the high-octane adventures of the supremely talented team of criminals. As the students of H.I.V.E. face the challenges of their final year at the school, Otto Malpense is forced to confront his own legacy as a new threat rises from the shadows of his past. Nothing will ever be the same again as Otto races against the clock to rescue his friends from a rival organization. But as Otto desperately fights for his friends’ lives, he ends up facing a deadly enemy more dangerous and powerful than any he’s faced ever before—an enemy who’s a twisted product of his own bloodline. From Italy to Russia to the United States, Bloodline is a real tour de force, and a fitting conclusion to the acclaimed

H.I.V.E series.

Bush Warfare Simon and Schuster

When missing agent Otto is suspected of leading the mysterious attacks on the leaders of the world's villainous forces, Raven and Wing race against time to find him before other G.L.O.V.E. assassins can locate him.

Doug is still in the netherworld. He's working a cleaning job in the Hive's stinking hallways, trying to ignore the screams, and reading romance comics to the breeders. But as the stories unravel on the page, frame by frame, mirrored memories plunge him back into his waking life. And that's where the real nightmare is. In Burns's trademark hard-edged style, *The Hive* is horrifying and completely absorbing: an incredible new

installment from one of the most exciting artists in the comics world.

Scheming, extorting, menacing and general evilness are nothing new in the world of villainy - indeed it's expected. But there are codes of conduct. Until now. In an attempt to purge the Global League of Villainous Enterprises of its more destructive elements, Dr Nero has underestimated the cunning and resources of those who oppose him. Meanwhile, Otto and the rest of the Alpha stream have been sent to begin their most feared exercise: The Hunt, in the icy wastes of Siberia. But there is a traitor in their midst. The first strike against Nero will be a strike against the Alpha stream. Villain-kind is on the brink of CIVIL WAR.

**The Overlord Protocol** Speaking Volumes

Hive is a remarkable debut collection of poems about brutality, exaltation, rebellion, and allegiance. Written in the voice of a teenage Mormon girl, these poems wrestle with the widening gulf between her impulse toward faith and her growing doubts about the people who claim to know God's will.

Summoned by his father to return home immediately, Dougall MacRae knows he cannot leave without his beloved Helene. He asks her to marry him and accompany him back to Castle Treun unaware that his father has plans for him to wed another in an attempt to strengthen clan alliances. He can keep Helene as a mistress, but not as his wife. Helene has lived her whole life at Breaghacraig and has left it all behind to

marry Dougall. She refuses, however, to remain at Castle Treun as his mistress. Fleeing in the dark of night with no idea how to return to Breaghacraig, Helene stumbles upon a beautiful stone bridge. Devastated and alone she contemplates life without Dougall. As she pleads aloud for someone to help her, she is engulfed in a thick fog and when it clears she finds herself in the year 2016 in San Francisco, California, where Dougall's betrayal has led her into the arms of the kind, handsome stranger who saves her in her hour of need.

*A Turn in Time* Random House

A new era is beginning in the villainous world of H.I.V.E. as civil war looms, forcing Otto and his friends to take sides—perhaps against each other. Scheming, extorting, menacing, and general evilness are nothing new in the world of villainy—indeed, it's expected, especially at the Higher Institute of

Villainous Education. But even so, there have always codes of conduct. Until now. In an attempt to purge the Global League of Villainous Enterprises of its more destructive elements, Dr. Nero has underestimated the cunning and resources of those who oppose him. Meanwhile, Otto and the rest of the Alpha stream have been sent to begin their most feared exercise, the Hunt, in the icy wastes of Siberia. But there is a traitor in their midst. The first strike against Nero will be a strike against the Alpha stream. Villain-kind is on the brink of civil war.

Sam awakens to see strange vessels gathered in the skies around London. As he stares up, people stream past, walking silently toward the enormous

ships, which emit a persistent noise. Only Sam seems immune to the signal. Six months later, he is absolutely alone.

**H.I.V.E. 9** Simon and Schuster Mary Russell and her husband, Sherlock Holmes, have stirred the wrath of a murderous secret organization bent on infiltrating the government. Now they are separated and on the run, wanted by the police, and pursued across the Continent by a ruthless enemy with limitless resources and powerful connections. Unstoppable together, Russell and Holmes will have to survive this time apart, maintaining contact only by means of coded messages and cryptic notes. But has the couple made a fatal mistake by separating, making themselves easier targets for the shadowy government agents sent to

silence them? A hermit with a mysterious past and a beautiful young female doctor with a secret, a cruelly scarred flyer and an obsessed man of the cloth: Everyone Russell and Holmes meet could either speed their safe reunion or betray them to their enemies—in the most complex, shocking, and deeply personal case of their career.

*The Hive* Simon and Schuster Otto and Wing have special permission to leave H.I.V.E.'s secret island location to attend a funeral (all too common in their line of business). But before they reach their destination they are ambushed. Who would risk assassinating Otto Malpense, star pupil of the Higher Institute of Villainous Education and favourite of Number One, the most

powerful villain alive? A new power is rising to challenge Number One's authority, and they need H.I.V.E. and its powerful computer to do so. Otto thought the only thing he wanted was to escape from H.I.V.E., but now he's desperately trying to save it, and himself.

At the crossroads of science, mathematics, and art lives Quiver, a stunning new collection of poems that seeks to reconcile the empirical truths of science with the emotional truths of human experience. Through an ambitious set of poetic series and sequences, Somers-Willett re-invents the love poem, conjuring a voyeuristic affair between a radio astronomer and Dark Matter, radium's atomic aubade for Marie and Pierre Curie, and the shrill love song of Gregor Mendel's cross-

pollinated pea plants. With intelligence and wonder, Quiver comes to understand the pursuits of science and beauty as one and the same, rendering an exquisite world where the graph of a mathematical equation can become the image of "love's witness / running with its arms open all the way home." In deft, musical lyrics that are by turns formal and experimental, studied and accessible, meditative and pragmatic, Somers-Willett portrays scientific phenomena in strikingly intimate ways. Every mystery connects in her universe, revealing a relationship between science and human sentiment that is as surprising as it is profound. --University of Georgia Press.

HOW FAR WILL OTTO GO TO PROTECT HIS FRIENDS? Otto Malpense and his friends thought their first year at the Higher Institute of Villainous Education was the most adventurous and exciting that they would ever encounter. They were dead wrong. When Otto and Wing are allowed off campus to attend Wing's father's funeral, they have no idea it's a trap, all part of a lethal plan organized by Cypher, the most ruthless supervillain any of them have ever known. He intends to use them to retrieve the Overlord Protocol, a device that has the capacity to help him take over the world. But when things go terribly wrong, Otto will stop at nothing to hunt him down and make him pay. With the help of Laura, Shelby, Raven, and his former nemesis, Dr. Nero, Otto must find a way

to defeat an enemy that has overcome some of the planet's most infamous villains without even breaking a sweat. Because if he doesn't, the world as they know it will be changed forever.

**Star Trek: The Next Generation - Hive** Simon and Schuster

As a final battle with Overlord looms near, the H.I.V.E. heroes are up against an unimaginably dangerous weapon. Bad news for the Higher Institute of Villainous Education, aka H.I.V.E.: Overlord is reborn and has developed the chilling ability to move from body to body, erasing the host's personality—and ultimately killing them. Overlord must find Otto, the only host

designed to truly contain him, and for that he needs to know the location of H.I.V.E. He also plans to take control of a secret U.S. Army facility that is home to the Autonomous Weapon Program, a computer-controlled system uniquely vulnerable to Overlord's control. In the face of these threats, Nero is forced to activate Zero Hour, a plan designed to deal with any member of G.L.O.V.E—the Global League of Villainous Enterprises—who is on the brink of true global domination. Nero also knows that Otto must not be allowed to fall into Overlord's hands, and a desperate race across the globe begins.
