MANNING MOYER

9-Nov Black Dog & Leventhal

“A wonderful nightmare of a book: tender and frightening, disturbing but compassionate. Fever Dream is a triumph of Schwebelin’s outlandish imagination.”

–Juan Gabriel Vasquez, author of *The Sound of Things Falling* and *Reputations* A young woman named Amanda lies dying in a rural hospital clinic. A boy named David sits beside her. She’s not his mother. He’s not her child. Together, they tell a haunting story of broken souls, toxins, and the power and desperation of family. *Fever Dream* is a nightmare come to life, a ghost

story for the real world, a love story and a cautionary tale. One of the freshest new voices to come out of the Spanish language and translated into English for the first time, Samanta Schwebelin creates an aura of strange psychological menace and otherworldly reality in this absorbing, unsettling, taut novel.

The Long Wait and Other

Psychoanalytic Narratives Eos

#1 New York Times Bestseller “Funny and smart as hell” (Bill Gates), Allie Brosh’s *Hyperbole and a Half* showcases her unique voice, leaping wit, and her ability to capture complex emotions with deceptively simple illustrations. FROM THE PUBLISHER: Every time Allie Brosh posts something new on her hugely popular blog

Hyperbole and a Half the internet rejoices. This full-color, beautifully illustrated edition features more than fifty percent new content, with ten never-before-seen essays and one wholly revised and expanded piece as well as classics from the website like, “The God of Cake,” “Dogs Don’t Understand Basic Concepts Like Moving,” and her astonishing, “Adventures in Depression,” and “Depression Part Two,” which have been hailed as some of the most insightful meditations on the disease ever written. Brosh’s debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to. FROM THE AUTHOR: This is a book I wrote. Because I wrote it, I had to

figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn't me wrote it—but I soon discovered that I'm not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book: Pictures Words Stories about things that happened to me Stories about things that happened to other people because of me Eight billion dollars* Stories about dogs The secret to eternal happiness* *These are lies. Perhaps I have underestimated my sneakiness!

Wheel of the Infinite HarperCollins California high school student Audrey Cuttler dumps self-involved Evan, the lead singer of a little band called The Do-Gooders. Evan writes, "Audrey, Wait!," a break-up song that's so good it rockets up the billboard charts. And Audrey is suddenly famous! Now rabid fans are invading her school. People is running articles about her arm-warmers. The lead singer of the Lolitas wants her as his muse. (And the Internet is documenting her every move!) Audrey can't hang out

with her best friend or get with her new crush without being mobbed by fans and paparazzi. Take a wild ride with Audrey as she makes headlines, has outrageous amounts of fun, confronts her ex on MTV, and gets the chance to show the world who she really is.

Shatter Me Penguin

The #1 New York Times bestselling WORLDWIDE phenomenon Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | Independent (London) Ten Best Books of the Year "A feel-good book guaranteed to lift your spirits."—The Washington Post The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of *How To Stop Time* and *The Comfort Book*. Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself?

Would any of these other lives truly be better? In *The Midnight Library*, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place. *The Midnight Library* Holiday House Infinite2 is a bold continuation of Robinson's bestselling science fiction novel, packed with mystery, action, and mind-bending twists. OVER A MILLION BOOKS SOLD! William Chanokh is immortal...and he's trapped on the Galahad, an interstellar starship on a never-ending journey through open space. His only companions are Capria-mortal and in cryo-sleep-and Gal, an artificial intelligence, and the love of his life, with whom he spends every waking moment in the 'Great Escape,' a virtual paradise. After untold years living countless lives, Gal begins acting strange. Possessive. Violent. Paranoid. Positive that something

in the real world is causing her to malfunction, Will attempts to leave the Great Escape, but he finds himself a prisoner. Guided by a voice from reality, he is thrust into a series of torturous narratives, each one designed to break his will and keep him trapped in virtual reality. Betrayed by his digital love, his long-term memory overwritten, and enduring violent manipulation, Will painfully peels back layers of simulation, fighting to reach reality 1.0—where the nightmares are real. Maybe. New York Times and #1 Audible bestselling author, Jeremy Robinson, takes readers on a heart-wrenching journey to the edge of the universe and beyond, where distinguishing reality from simulation might be impossible.

“The Nix is a mother-son psychodrama with ghosts and politics, but it’s also a tragicomedy about anger and sanctimony in America. . . .

Nathan Hill is a maestro.” —John Irving

From the suburban Midwest to New York City to the 1968 riots that rocked Chicago and beyond, *The Nix* explores—with sharp humor and a fierce tenderness—the resilience of love and home, even in times of radical change. It’s 2011, and Samuel Andresen-Anderson—college professor, stalled writer—has a Nix of his own: his mother, Faye. He hasn’t seen her in decades, not since she abandoned the family when he was a boy. Now she’s reappeared, having committed an absurd crime that electrifies the nightly news, beguiles the internet, and inflames a politically divided country. The media paints Faye as a radical hippie with a

sordid past, but as far as Samuel knows, his mother was an ordinary girl who married her high-school sweetheart. Which version of his mother is true? Two facts are certain: she’s facing some serious charges, and she needs Samuel’s help. To save her, Samuel will have to embark on his own journey, uncovering long-buried secrets about the woman he thought he knew, secrets that stretch across generations and have their origin all the way back in Norway, home of the mysterious Nix. As he does so, Samuel will confront not only Faye’s losses but also his own lost love, and will relearn everything he thought he knew about his mother, and himself.

The Infinite Noise Tor Teen

The riveting follow-up to the New York Times bestselling *The 5th Wave*, hailed by Justin Cronin as “wildly entertaining.” How do you rid the Earth of seven billion humans? Rid the humans of their humanity. Surviving the first four waves was nearly impossible. Now Cassie Sullivan finds herself in a new world, a world in which the fundamental trust that binds us together is gone. As the 5th Wave rolls across the landscape, Cassie, Ben,

and Ringer are forced to confront the Others' ultimate goal: the extermination of the human race. Cassie and her friends haven't seen the depths to which the Others will sink, nor have the Others seen the heights to which humanity will rise, in the ultimate battle between life and death, hope and despair, love and hate. Praise for *The Infinite Sea* "Heart-pounding pacing, lyrical prose and mind-bending twists . . ."—The New York Times Book Review "Impressively improves on the excellent beginning of the trilogy."—USA Today "An epic sci-fi novel with all the romance, action, and suspense you could ever want."—Seventeen.com * "This gut-wrenching sequel to *The 5th Wave* careens on a violent course of nonstop action."—Publishers Weekly, starred review * "A breathless, grueling survival story Yancey's prose remains unimpeachable—every paragraph is laden with setting, theme, and emotion."—Booklist, starred review "A roller-coaster ride of a sequel."—Kirkus Reviews "It doesn't just move the story forward, but even opens up new possibilities in the previous book."—Geekdad.com

Fever Dream Simon and Schuster
Landry Walker and Eric Jones' *Pepper Page Saves the Universe* is a middle-grade futuristic superhero story about a shy comic book girl-geek becoming her own superhero inspiration! The year is 2421. Awkward and shy, Pepper buries herself in the universe of the classic fictional superhero *Supernova* to avoid dealing with the perils of the 9th grade. But then fate intervenes when Pepper encounters a strange cat named Mister McKittens and stumbles into a volatile science experiment run by a sinister substitute teacher named Doctor Killian. Pepper is flung into another dimension, bringing her face to face with an order of cosmic beings who declare her to be the steward of their great power, champion of harmony in the universe, protector of worlds present and past. Now, in the 21st Century, Pepper finds that she herself is the real *Supernova*. But as Pepper soon learns, escapist fantasy and reality are two very different things.
Tenements, Towers & Trash Melville House
The gripping first installment in New York Times bestselling author Tahereh Mafi's *Shatter Me* series. One touch is all it takes.

One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But *The Reestablishment* sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. And don't miss *Defy Me*, the shocking fifth book in the *Shatter Me* series!

No Filter and Other Lies Knopf
For as long as she can remember, Wren Gray's goal has been to please her parents. But as high school graduation nears, so does an uncomfortable realization: Pleasing her parents once overlapped with pleasing herself, but now . . . not so much. Wren needs to honor her own desires, but how can she if she doesn't even know what they are? Charlie Parker, on the other hand, is painfully aware of his heart's desire. A gentle boy with a troubled past, Charlie has loved Wren since the day he first saw her. But a

girl like Wren would never fall for a guy like Charlie—at least not the sort of guy Charlie believes himself to be. And yet certain things are written in the stars. And in the summer after high school, Wren and Charlie’s souls will collide. But souls are complicated, as are the bodies that house them . . . Sexy, romantic, and oh-so-true to life, this is an unforgettable look at first love from one of young adult fiction’s greatest writers. Praise for *The Infinite Moment of Us* STARRED REVIEW "The scenes of sexual intimacy are described with innocently erotic frankness, offering an ideal (if not idealized) model for readers on the cusp; this is *Forever...* for a new generation, offering character depth Cath and Michael never achieved. Summer love has never been so good." —Kirkus Reviews, starred review "In contrast to unhealthy depictions of sex and relationships that teenagers (and adults) are often exposed to in media and entertainment, Myracle offers up a passionate romance built on a bedrock of love, respect, and trust. And it’s difficult to see that as a bad thing." —Publishers Weekly "Two mature recent high school graduates fall in love and bring out the

best in each other in Lauren Myracle's thoughtful exploration of an intimate relationship...the relationship between Wren and Charlie always remains realistic and involving." —Shelf Awareness "This charming romance has multidimensional characters, straightforward sexuality, and a pace that lets readers fall in love with the main characters. Myracle expertly captures the intense connection of first love, from the need to spend every moment together to trying to figure out how to communicate with one another." —School Library Journal "The single-focus intensity of Wren and Charlie’s feelings is spot-on for the age group... chapters move between both their perspectives as they grow into the relationship, offering readers of both sexes a rather compelling example of the how-to’s of intimacy." —The Bulletin of The Center for Children’s Books *The Infinite Future* Simon and Schuster In her keenly observed graphic memoir, *Impossible People*, celebrated cartoonist Julia Wertz chronicles her haphazard attempts at sobriety and the relentlessly challenging, surprisingly funny, and occasionally absurd cycle of addiction and recovery. Opening at the culmination of a

disastrous trip to Puerto Rico, the first page of *Impossible People* finds Julia standing stupefied in the middle of the jungle beside a rental Jeep she's just crashed. From this moment, the story flashes back to the beginning of her five-year journey towards sobriety that includes group therapy sessions, relapses, an ill-fated relationship, terrible dates, and an unceremonious eviction from her New York City apartment. Far from the typical addiction narrative that follows an upward trajectory from rock bottom to rehab to recovery, *Impossible People* portrays the lesser told but more common story: That the road to recover is not always linear. With unflinching honesty, Wertz details the arduous, frustrating, and hilarious story of trying and failing and trying again. [Along the Infinite Sea](#) Image Comics From the New York Times bestselling author of *Her Last Flight* comes another riveting novel of the Schuyler sisters—where the epic story of star-crossed lovers in pre-war Europe collides with a woman on the run in the swinging '60s... In the autumn of 1966, Pepper Schuyler's problems are in a class of their own. To find a way to take care of herself

and the baby she carries—the result of an affair with a married, legendary politician—she fixes up a beautiful and rare vintage Mercedes and sells it at auction. But the car's new owner, the glamorous Annabelle Dommerich, has her own secrets: a Nazi husband, a Jewish lover, a flight from Europe, and a love so profound it transcends decades. As the many threads of Annabelle's life before the Second World War stretch out to entangle Pepper in 1960s America, and the father of her unborn baby tracks her down to a remote town in coastal Georgia, the two women must come together to face down the shadows of their complicated pasts. AN INDIE NEXT AND LIBRARY READS PICK A KIRKUS REVIEWS BEST BOOK OF THE YEAR THE BEST OF SKIMMREADS 2016

If I Stay Black Dog & Leventhal

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete

and entertaining history of philosophy. The Infinite Horizon Simon and Schuster Just in time for Valentine's Day comes a confection from David Levithan that is sure to have fans of Boy Meets Boy eager to devour it. Here are 18 stories, all about love, all kinds of love. From the aching for the one you pine for, to standing up and speaking up for the one you love, to pure joy and happiness, these love stories run the gamut of that emotion that at some point has turned every one of us inside out and upside down. What is love? With this original story collection, David Levithan proves that love is a many splendored thing, a varied, complicated, addictive, wonderful thing.

How They Met and Other Stories Farrar, Straus and Giroux

As in Madeleine L'Engle's *A Wrinkle in Time*, math and science inform this mind-bending mystery about a girl who must work with the laws of the universe and trust the love of her family if she is to set her world right. It's the morning of Maisie's tenth birthday, and she can't wait to open her presents. Maisie is not a typical kid. What she wants most for her birthday are the things she needs to build her own

nuclear reactor. But she wakes to an empty house, and outside the front door is nothing but an unsettling, all-consuming blackness--a shifted reality. Even for super-smart Maisie, these puzzling circumstances seem out of her control . . . or are they? A CLIP Carnegie Medal Children's Book Award Nominee "A heartbreaking, head-melting science fiction mystery from the superlative Christopher Edge."--The Guardian "[Edge] . . . has a magical way of distilling difficult concepts [like] relativity, gravity, time and space, infinity. . . .He weaves these ideas into a high-energy thriller."--The Times (UK) "Gripping, terrifying and eye-poppingly original. Grabs hold of your brain--then tugs at your heart." --Jonathan Stroud, author of the bestselling *Bartimaeus Trilogy*

The Fart Party, Volume 2 First Second A magnificent new collection of stories by "the contemporary Hungarian master of apocalypse" (Susan Sontag) In *The World Goes On*, a narrator first speaks directly, then tells eleven unforgettable stories, and then bids farewell ("for here I would leave this earth and these stars, because I would take nothing with me"). As László

Krasznahoraki himself explains: “Each text is about drawing our attention away from this world, speeding our body toward annihilation, and immersing ourselves in a current of thought or a narrative...” A Hungarian interpreter obsessed with waterfalls, at the edge of the abyss in his own mind, wanders the chaotic streets of Shanghai. A traveler, reeling from the sights and sounds of Varanasi, encounters a giant of a man on the banks of the Ganges ranting on the nature of a single drop of water. A child laborer in a

Portuguese marble quarry wanders off from work one day into a surreal realm utterly alien from his daily toils. *The World Goes On* is another amazing masterpiece by the winner of the 2015 Man Booker International Prize. “The excitement of his writing,” Adam Thirwell proclaimed in the *New York Review of Books*, “is that he has come up with this own original forms—there is nothing else like it in contemporary literature.”
