amazing! It  
completely  
shifts your  
paradigm for  
life. One of the  
most  
wonderful  
things about it  
is that the

results are  
immediate.  
My whole  
perception  
and  
relationship to  
money has  
undergone a  
major,  
substantial  
change."  
—Chris  
Attwood,  
writer and  
teacher,  
California "I've  
spent most of  
my life trying  
to figure out  
what's true  
and what's  
real. I have to  
say I now  
have a clear  
glimpse into  
what it really

is." —Tom Hill,  
Colorado  
"Before  
Busting Loose  
from The  
Money Game,  
I was very  
unhappy and  
frustrated in  
my life. I was  
driven to find  
more ways to  
make money.  
I changed  
jobs, cities,  
countries,  
went back to  
school, read  
books.  
Financially,  
the stress was  
causing  
anxiety  
attacks and  
migraines so  
severe I

stayed in bed. The joy I feel now is priceless. Money is there when I need it, in the amount that's needed, no matter what occurs (car repairs, unplanned trips, etc.). It's absolutely amazing!"  
—Suresh Thakoor, Texas "As a retired professor on a fixed and limited income, I always lived from a tight budget and felt compressed by it—especially at the end of the year. I don't

use a budget anymore and have opened up new streams of income that were always closed to me in the past."  
—Howard Rovics, Connecticut "It opened a whole new dimension for me and shifted my perspective on life completely. I especially love how practical it is. The application is so simple, so effective . . . and fun!"  
—Doris Kahle, Hagen, Germany "I'd had a lot of success in the

corporate arena, made a ridiculous amount of money and lost a ridiculous amount of money. But I was caught in a cycle of making it, losing it. I needed to break that cycle—for myself and my family—and this gave me the keys to do that. Busting Loose from The Money Game opened a window I had no clue even existed. This is very cutting-edge, a revolutionary approach to

unwrapping yourself from limitations. If you're not satisfied with where you are financially and you're concerned about your future, get this book!"

Reaching for the Invisible God iUniverse  
 TREASURE is the true story of how the iconic fable *The Alchemist* by Paulo Coelho psychically predicted the future, and what would happen to Karen Williams in real life. This was at a time when Karen had never

heard of  
Coelho's  
famous book.  
It is a story  
about the  
passion for a  
dream, and  
how this  
passion  
revealed to  
Karen the  
language of  
signs and  
coincidences  
which the  
spiritual realm  
uses to speak  
to each of us.  
Living in  
Andalusia in  
southern  
Spain in the  
1990s, Karen  
dreams of  
finding and  
living from her  
soul. One  
night, after  
visiting her  
favourite ruin,  
she has a  
dream in

which she is  
reborn and  
with this her  
soul quest  
begins. Just as  
in Coelho's  
The Alchemist  
it takes her to  
Tarifa and  
Tangiers, and  
then through  
a  
metaphorical  
desert, finally  
ending at a  
place of  
pyramids as  
she searches  
for her  
treasure. But,  
this is only  
just the  
beginning of a  
truly  
supernatural  
odyssey which  
goes on for  
another 18  
years. In that  
time Karen  
dedicates her  
whole being to

the slow, and  
sometimes  
incredibly  
painful  
unraveling of  
the real  
meaning of  
the allegory  
known to  
millions as  
The Alchemist.  
What she  
discovers is  
far deeper and  
more  
transcendent  
I than she  
ever imagined  
and touches  
the lives of all  
of us who now  
stand at the  
beginning of a  
new  
millennium  
hoping for a  
new world and  
a new dawn.

Gentry was a  
simple baker  
who knew  
there was  
more to life

but did not know what it was or how to get there. One day, a traveler came to town and told Gentry that he is seeking The Destination. However, the traveler provides a warning. The path to The Destination is guarded by dragons that only seek to take travelers off of the path. Armed with a scroll, a shield and a sword, Gentry sets out on his quest. As Gentry heads towards The Destination, he is expecting to

face fierce dragons that he heard so many stories about growing up. He pictured himself doing battle with a large scaly beast. But what he found surprised him. The dragons were not the fire breathing animal he expected but much more deceiving. Gentry had to face each dragon before he can travel on towards The Destination or be sent back to the town as a failure. Each dragon, however, has

a different name and affect on Gentry. He must use the wisdom he finds in the scroll in order to defeat each of the dragons. As we each travel the journey to success, we are often times side tracked by dragons of our own. Through this book and as you travel with Gentry, you will learn the secrets to defeating many of the common dragons that only seek to hold us back from reaching our

destination.

Evans, Ed.D Assistant Superintendent for Human Resources and Administrative Services, Chesterfield County Public Schools, Commonwealth of Virginia The challenges faced by school leaders today are daunting. In

Leadership: Learning, Teaching and Practice, experts from across the nation bridge the gap between theory and practice. This book explores those tensions, calling us to examine our ideal view of school leadership and compare it to the reality of the current school systems in which we work. It furthers this discourse by examining the role leadership preparation

programs play in preparing school administrators with the knowledge and skills necessary to be effective while retaining their humanity. An easy read that will transform how leaders think about leadership! Jessica Kemler, Principal, Babylon Elementary School Long Island, New York *Leadership 101 Top Tips - Art of Living* The writing of this book did not start out as a plan to

"Profound, absorbing, and like nothing written before about wealth and success. The 11th Element shows you specific, practical ways to tap into a powerful new source of support to

receive a quantum boost in power you can use to fuel the growth of your business and your quality of life." -Gay Hendricks, PhD Author of The Corporate Mystic and Conscious Golf: The Three Secrets of Success in Business, Life and Golf My Life Encapsulated Balboa Press When contemporary Americans, even Christian ones, go looking for "spirituality," they look to Eastern religious

traditions, New Age fads, and the self-help section of their local bookstore. They look almost anywhere, in fact, but to orthodox Christianity. In "Ecstasy and Intimacy," Edith Humphrey sets out to counter this trend by helping the reader rediscover the spiritual riches of the Christian tradition -- Protestant, Catholic, and Orthodox. As Humphrey reveals, Christian

spirituality takes its cue from the Trinity, from the "ecstasy" ("going out" of oneself) and "intimacy" (profound closeness with another) marking the relations between Father, Son, and Holy Spirit; it is within God's own ecstatic actions and intimate love - seen particularly in the Incarnation -- that human ecstasy and intimacy are meant to take shape. "Ecstasy and Intimacy"

spreads a banquet from the great spiritual writers of the past -- such luminaries as St. Augustine, Julian of Norwich, St. Teresa of Avila, the Wesleys, and Thomas Merton. Humphrey's elegant prose, embroidered with stories and images from her own life, leads the reader into a deeper understanding of the ecstasy and intimacy inherent in a Trinitarian spirituality. *Personal Seminar* The

Invisible Path to Success Seven Steps to Understanding and Managing the Unseen Forces Shaping Your Life "Create Your Own Destiny! Spiritual Path to Success" is an invaluable resource for those faithful to and open to spiritual and energy healing in which nearly every sentence contains wisdom worthy of contemplation . The book helps the reader realize the body and

the mind are not two independent essences to be treated separately, but must be treated as a single whole. The reader gains insight into the power and results of natural and spiritual healing from a science-oriented practitioner. The unique book, written in easy-to-understand terms, is a desktop guide to health for those interested in the preservation of health and the

maintenance of karma. The writer is unique. Her educational and scientific background is not normally associated with the gift of natural healing. Traditional science has not quite recognized a gift such as this without analytical proof. Yet, history and folklore traces individuals with the natural healing gift throughout the ages. This book is a modern day encounter between

friends and their documented journey together, battling the ravages of cancer, and their ultimate victory. *5 Easy Steps for Creating Wealth (or Anything Else) from the Inside Out* IAP This book offers an opportunity for an anti deficit and positive examination of Black/Black-multiracial culture and its role in creating educational efficacy among academics of
