Funny Bones tells the story of how the amusing calaveras—skeletons performing various everyday or festive activities—came to be. They are the creation of Mexican artist José Guadalupe (Lupe) Posada (1852–1913). In a country that was not known for freedom of speech, he first drew political cartoons, much to the amusement of the local population but not the politicians. He continued to draw cartoons throughout much of his life, but he is best known today for his calavera drawings. They have become synonymous with Mexico’s Día de los Muertos (Day of the Dead) festival. Juxtaposing his own art with that of Lupe’s, author Duncan Tonatiuh brings to light the remarkable life and work of a man whose art is beloved by many but whose name has remained in obscurity. The book includes an author’s note, bibliography, glossary, and index.

In other words, the horrors and awkwardnesses of young modern life. Oh and they are totally not autobiographical. At all. Adulthood Is a Myth presents many fan favorites plus dozens of all-new comics exclusive to this book. Sarah's frankness on personal issues like body image, self-consciousness, introversion, relationships, and the frequency of bra-washing makes her comics highly relatable and deeply hilarious, showcasing how she became one of the most influential voices in web cartoonists.

#1 New York Times Bestseller “Funny and smart as hell” (Bill Gates), Allie Brosh’s *Hyperbole and a Half* showcases her unique voice, leaping wit, and her ability to capture complex emotions with

deceptively simple illustrations. FROM THE PUBLISHER: Every time Allie Brosh posts something new on her hugely popular blog *Hyperbole and a Half* the internet rejoices. Brosh’s debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to. FROM THE AUTHOR: This is a book I wrote. Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn’t me wrote it—but I soon discovered that I’m not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book: Pictures Words Stories about things that happened to me Stories about things that happened to other people because of me Eight billion dollars\* Stories about dogs The secret to eternal happiness\* \*These are lies. Perhaps I have underestimated my sneakiness!

Too many discipleship books are written for clean, perfect people who know all the right Sunday school answers. *The Imperfect Disciple* is for the rest of us--people who screw up, people who are weary, people who are wondering if it's safe to say what they're really thinking. For the believer who is tired of quasi-spiritual lifehacks being passed off as true, down-and-dirty discipleship, here is a discipleship book that isn't afraid to be honest about the mess we call real life. With incisive wit, warm humor, and moving stories, Jared Wilson shows readers how the gospel works in them and in their lives when - they can't get their act together - they think God is giving them the silent treatment - they think church would be better without all the people - they're not happy with the person in the mirror - and much more Wilson frees readers from the self-doubt and even the misplaced self-confidence they may feel as they walk with Jesus down the often difficult road of life. The result is a faith that weathers storms, lifts burdens, and goes forth to make more imperfect disciples.

#### It's All Absolutely Fine Square Peg

The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. "Gaspably funny and wonderfully inappropriate."—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the

dark, disturbing, yet wonderful moments of our lives. Readers Guide Inside

#### The Imperfect Disciple Turtleback

David Carr was an addict for more than twenty years -- first dope, then coke, then finally crack -- before the prospect of losing his newborn twins made him sober up in a bid to win custody from their crack-dealer mother. Once recovered, he found that his recollection of his 'lost' years differed -- sometimes radically -- from that of his family and friends. The night, for example, his best friend pulled a gun on him. 'No,' said the friend (to David's horror, as a lifelong pacifist), 'It was you that had the gun.' Using all his skills as an investigative reporter, he set out to research his own life, interviewing everyone from his parents and his ex-partners to the policemen who arrested him, the doctors who treated him and the lawyers who fought to prove he was fit to have custody of his kids. Unflinchingly honest and beautifully written, the result is both a shocking account of the depths of addiction and a fascinating examination of how -- and why -- our memories deceive us. As David says, we remember the stories we can live with, not the ones that happened.
